

Detailed Project Report (DPR) for Department of Computer Science & Applications, Kurukshetra University, Kurukshetra, Haryana-136119

1.1. PREAMBLE

1.1 Introduction

Located in Kurukshetra, the land of the Gita, Kurukshetra University is a premier institute of higher learning in India. It is spread over 400 acres of land on the south bank of the holy tank, Brahm Sarovar. Its foundation stone was laid on 11 January 1957 by Bharatratna Dr. Rajendra Prasad, the first President of the Indian Republic. Since then it has aimed at pursuing excellence in teaching and research in science, technology, humanities, social sciences, performing arts and sports.

Today, Kurukshetra University is offering students from throughout the country, a world-class education by providing a learning experience designed to develop intellectual abilities, as well as social, moral and ethical values. In so doing the University is equipping its students with the skills, insights, attitudes and practical experience that will enable them to become discerning citizens.

The University's programs combine the enduring value of a liberal arts education with the skills and experience offered by professional departments. The University has 472 qualified teaching faculty members. The University also has 390 affiliated colleges and institutes situated in the Districts of Ambala, Panipat, Kaithal, Yamuna Nagar, Hisar, Fatehabad, Jind, Karnal, Sirsa, Kurukshetra and Panchkula.

The Campus of the University has often been rated as one of the most beautiful campuses in India. It resembles a large, self-contained village with lecture theatres, seminar rooms, accommodation, cafeterias, canteens, shops and sports facilities, libraries and laboratories all within easy walking distance. The most remarkable feature of the campus is the seamless interconnection of nature and the built environment. There are a number of lush green gardens, water fountains and sidewalks which provide ideal environment on the campus for study and leisure.

The National Assessment and Accreditation Council (NAAC), an autonomous body of the University Grants Commission to assess and accredit universities and colleges, has conferred an **'A' grade to Kurukshetra University**. The University has made a mark on the international map as accreditation of educational institutions is now acknowledged as an important indicator of their quality and relevance all over the world.

The peer team of the NAAC visited the campus from November 17-20, 2008 and evaluated the university's performance based on criteria like curriculum, teaching-learning and evaluation, infrastructure and learning resources, student support and progression, governance and leadership, innovative practices and so on. The peer team in its report has specially drawn reference to the University's "commitment to impart quality education to the students of the state, concerted efforts to preserve and create awareness of the rich cultural heritage of the State and academic tranquillity and residential characteristics."

1.2 Background of the Consultants: NOT APPLICABLE

Kurukshetra University, Kurukshetra is a state university established by State Legislation Act XII of 1956 and “A” Grade NAAC accredited.

1.3 Technical Education & Industry Scenario

The total numbers of universities in the Haryana state are more than ten (including central, state, and deemed universities) providing technical, engineering, science, and social science educations. There are more than 150 institutes imparting technical education in Haryana.

11.2. THE PROMOTING BODY

a. Introduction to its Genesis including its Registration Status

Kurukshetra University, Kurukshetra is a state university established by State Legislation Act XII of 1956 and is a “A” Grade NAAC accredited.

b. Details of its Promoters including their Background

In 1952, the Union Government decided that all cases pertaining to the allocation of grants-in-aid from public funds to the Central Universities and other Universities and Institutions of higher learning might be referred to the University Grants Commission. Consequently, the University Grants Commission (UGC) was formally inaugurated by late Shri Maulana Abul Kalam Azad, the then Minister of Education, Natural Resources and Scientific Research on 28 December 1953.

The UGC, however, was formally established only in November 1956 as a statutory body of the Government of India through an Act of Parliament for the coordination, determination and maintenance of standards of university education in India. In order to ensure effective region-wise coverage throughout the country, the UGC has decentralised its operations by setting up six regional centres at Pune, Hyderabad, Kolkata, Bhopal, Guwahati and Bangalore. The head office of the UGC is located at Bahadur Shah Zafar Marg in New Delhi, with two additional bureaus operating from 35, Feroze Shah Road and the South Campus of University of Delhi as well.

It is the state university duly approved by University Grant Commission (UGC) a statutory body of Government of India.

c. Activities of the Promoting Body including a listing of major educational

Traditionally, UGC was entrusted with the task of coordination, formulation and maintenance of the standards of university education. To this end, it engaged itself in, among other things, framing regulations on minimum standards of education, determining standards of teaching, examination and research in universities, monitoring developments in the field of collegiate and university education, disbursing grants to universities and colleges and setting up common facilities, services and programmes for a group of universities in the form of Inter-University Centres.

d. Promotion activities undertaken by it in the past

The UGC has the unique distinction of being the only grant-giving agency in the country, which has been vested with two responsibilities: that of providing funds and that of coordination, determination and maintenance of standards in institutions of higher education.

e. Mission of the Promoting Body

- Promoting and coordinating university education.
- Determining and maintaining standards of teaching, examination and research in universities.
- Framing regulations on minimum standards of education.

f. Vision of the Promoting Body

- Monitoring developments in the field of collegiate and university education; disbursing grants to the universities and colleges.
- Serving as a vital link between the Union and state governments and institutions of higher learning.
- Advising the Central and State governments on the measures necessary for improvement of university education.

11.3. OBJECTIVES AND SCOPE OF THE PROPOSED INSTITUTION

a. Objectives of the Institution

University was established with an objective to pursue excellence in teaching and research in science, technology, humanities, social sciences, performing arts and sports.

b. General and Technical Education Scenario of the State

The total numbers of universities in the state are more than ten (including central, state, and deemed universities) providing technical, engineering, science, social science, etc educations.

c. Status at Entry Level

The Kurukshetra University was established in 1956 as a unitary residential University and its foundation stone was laid by late Dr. Rajendra Prasad, the first President of India. Located in the holy city of Kurukshetra, land of the historical battle of 'Mahabharata' and the great message of Bhagwad Gita, its campus is situated on the western bank of Brahm Sarover (the holy tank) and extends over an area of over 400 acres. Starting with only the Department of Sanskrit, it has grown into a multi-faculty University as one of the premier centres for advanced study and research in the region.

d. Status of Technical Level manpower

As there are more than 150 technical institutions in Haryana, there is the need of technical faculty. To cater to the requirement of these, quality technical manpower is required.

e. Industrial Scenario of the State

Haryana state has a reasonable number of industries primarily located in the districts like Gurgaon, Sonapat, Hisar and Faridabad.

f. Scope of the College vis-à-vis the Industrial Scenario and Educational Facilities already available in the State.

Observing the exponential growth of the industries in Haryana there is a growing demand of technical manpower necessitating the courses like M. Tech.

11.4. ACADEMIC PROGRAMMES

This Chapter is expected to cover the basic Academic Philosophy of the Institution and to list the identified Programmes, targets, and various facilities

a. Basic Academic Philosophy of the Institution

Pursuing excellence in teaching and research in science, technology, humanities, social sciences, performing arts and sports.

b. Types of Programmes

11.10 CONCEPTUAL MASTER PLAN FOR MAIN CAMPUS DEVELOPMENT

This Chapter is expected to cover the details of the Master Plan for Campus Development starting from the selection of site to the proposed land use pattern and the Phase-wise construction of various facilities / utilities to the level of landscaping. Institutional aspects of development is expected to be taken up in consonance with the Master plan keeping in view various aspects of convenience, safety and utility of the facilities

The university spreads over approximately 400 acres of contiguous land and it has its own construction branch (comprising of XEN, SDO, JE, and other ministerial and supporting staff) taking care of all the construction work which is carried out as per UGC/AICTE/Sate government norms. The university is equipped with an auditorium, faculty lounge, health centre, swimming pool, community centre, teacher and non-teaching clubs, well planned departments building, residential quarters for teaching and non-teaching staff, hostels for boys and girls, gymnasium and a vast sports complex etc.

- a. **The Site:** The Kurukshetra University was established in 1956 as a unitary residential University and its foundation stone was laid by late Dr. Rajendra Prasad, the first President of India. Located in the holy city of Kurukshetra, land of the historical battle of 'Mahabharata' and the great message of Bhagwad Gita, its campus is situated on the western bank of Brahm Sarover (the holy tank) and extends over an area of over 400 acres. Starting with only the Department of Sanskrit, it has grown into a multi-faculty University as one of the premier centres for advanced study and research in the region.

- b. **Proposed Land Use Pattern:** Kurukshetra University is spread over 474.138 acres of land on the south bank of the holy BrahmSarovar in Kurukshetra.
- c. **Design Concept:** Kurukshetra University has its own construction branch (comprising of XEN, SDO, JE, and other ministerial and supporting staff) taking care of all the construction work, which is carried out as per UGC/AICTE/State government norms.
- d. **Buildings and Facilities in the Campus:** The Campus of the University has often been rated as one of the most beautiful campuses in India. It resembles a large, self-contained village with lecture theatres, seminar rooms, accommodation, cafeterias, canteens, shops and sports facilities, libraries and laboratories. There are a number of lush green gardens, water fountains and sidewalks, which provide an ideal environment on the campus for study and leisure.
