STATEMENT OF THE CASE :

Earlier in a meeting of the Committee dated 07.11.2012, constituted by the Vice-Chancellor, the Controller of Examinations apprised the Committee that there was different pass percentage for passing a University examination which was creating confusion while declaring the results. Thereupon, the Committee unanimously recommended amendment/addition to various Ordinance for UG & M.A. Examinations **that the pass percentage should be 40% in each theory paper/practical examination and 40% in aggregate of Sessionals and Examination, w.e.f the session 2013-14**, which were later on approved by the Academic Council vide its Res. - (ii) 35% in each practical examination or Project Report/Training Report or Viva-Voce examination;

Provided that in case of B.A./B.Sc. (Hons.) the candidate shall be required to have obtained 40% marks in each theory paper/practical examination and 40% in the aggregate of sessionals and examination for each theory/practical paper.”

Since meeting of the Academic Council was not being held shortly and results of First Semester of above mentioned examinations were to be declared, the Vice-Chancellor took the above action.

15. (Applied Geology) (5-year Integrated Course) Programme, the marks of which can be considered as equivalent to the marks obtained in a Bachelor's Degree in Technology only for the purpose where marks are needed as prerequisite, as per specimen at **Annexure Pages 15(3)**.

STATEMENT OF THE CASE:

In the meeting of the Academic Council dated 21.10.2014, under item No. 16, while considering various amendments/additions to clauses 1.1, 3.1, 3.2, 6.1, 7.2, 11.1, 12, 14 and 15 of the Ordinance for Master of Technology (M.Tech.) (Applied Geology) (5-year Integrated Course) Examination (Semester System), one of the members pointed out that the provision as mentioned in the note to Clause-13 of the item that on successful completion of 4th year of the integrated programme, the Controller of Examinations shall issue a certificate to each student to the effect that passing of papers from I to VIII Semester courses is equivalent to passing B.Tech. Degree, required approval by the AICTE. Dr. A.R. Chaudhary, Chairperson, Deptt. of Geology informed that this is an integrated course in which no B.Tech. degree is given and only M.Tech. degree is awarded after the successful completion of the course.

The Vice-Chancellor informed the House that there is some ambiguity. Therefore, it was:

RESOLVED THAT THE ABOVE AMENDMENTS/ADDITIONS BE APPROVED BY DELETING THE FOLLOWING NOTE OF CLAUSE-13:

'On successful completion of 4th-year of the integrated Programme, the Controller of Examinations shall issue a certificate to each student to the effect that passing of papers from I to VIII semester courses is equivalent to Passing B.Tech. Degree.'

Again, vide note dated 13.04.2015, the Chairperson, Department of Geology written to say that the M.Tech. students of the Department are facing problem while filling up job applications on-line. resolve the above mentioned long standing demand and recommended as under:

“Out of the total ten (10) semesters (5 years) the marks obtained in first eight semester (4 years) may be considered as equivalent to the marks obtained in Bachelor’s Degree. These marks may be presented by the students only for the purpose where the marks of B.Tech. are needed as pre-requisite. In this regard, a certificate of the marks obtained in the first eight semesters may be issued by the Controller of Examinations.

However, no bachelor degree is permissible after eight semesters and the only degree of M.Tech. will be awarded on successful completion of the entire course.”

The above mentioned recommendations of the Committee were deliberated at length in the meetings of the following Committee held on 26.03.2015, 07.05.2015 and 22.07.2015 :

1. Dean Academic Affairs (.....in the Chair)
2. Dean, Faculty of Sciences
3. Chairperson, Department of Geology
4. Controller of Examinations-II
5. Deputy Registrar (Academic)

After detailed deliberations the above Committee has made its recommendations, **as per Annexure Pages 15(1-2)** which are submitted for consideration.

Since the meeting of the Academic Council was not being held shortly and some of the students were to apply for HSSC posts, the Vice-Chancellor took the above action on the recommendation of the Chairperson of the Department of Geology.

STATEMENT OF THE CASE

As per provision under clause-15 of Ph.D. Ordinance, the maximum time limit for submission of Ph.D. thesis is 06 years. In the past, the requests for submission of thesis beyond 06 years were being allowed by the Academic Council with an extra fee of Rs. 15,000/- per year. Therefore, to follow the provision strictly, such students who were not in position to submit their Ph.D. thesis within 06 years were one time permitted to submit their application by 16.03.2015 for submission of Ph.D. thesis upto 31.07.2015 within an extra fee of Rs. 30,000/-. The above mentioned five students had not submitted their applications by the above said date. The Vice-Chancellor considered their requests by condoning the delay in submission of applications and allowed them for submission of their Ph.D. thesis upto 31.07.2015 with an extra fee Rs. 30,000/- in-anticipation of the approval of the Academic Council.

Hence the above
