National Seminar DE-RISKING INDIAN AGRICULTURE: CROP INSURANCE WAY

February 10, 2017

Supported by NABARD

ORGANIZED BY

UNIVERSITY SCHOOL OF MANAGEMENT

Kurukshetra University, Kurukshetra
Haryana-136 119 (India)

About the University

Kurukshetra University is located in the Holy City of Kurukshetra, immortalized by sacred celestial discourse, the Bhagwad Gita, source of inspiration to the mankind. The University is situated on the Western Ghat of Bramha Sarovar in a very peaceful and calm ambience. Lush green vegetation and landscaping in 400 acres make it one of the most beautiful University campus in the country. Kurukshetra is well connected by the rail and road network in the Northern grid. It is located about 165 kms from New Delhi on the NH- 1 towards Chandigarh. It is equidistant on the Delhi-Ludhiana-Jammu rail network from Delhi.

Established in 1956, the Kurukshetra University takes pride in the world class multi-faculty campus in traditional and latest frontier of knowledge. Today, it consists of 45 University Teaching Departments/institutions and 366 affiliated colleges and institutions which make it one of the leading educational institutions in this part of the country. In recent times, it has emerged as an advanced center for learning and research for quality education.

University School of Management

The School (formerly the Department of Management) ushered in an era when the management education was at its infancy in the country. Established in 1973, it has been offering quality management education, research and training since then. Being conscious of its commitment and obligations, it has continuously strived for upgrading and fine-tuning the skills and insights of students, teachers and business executives through well designed and industry focused courses. It facilitates and promotes academic dialogue with active industry linkages on the contemporary issues relating to business, economic and national relevance from time to time.

As of today, it offers two year full time MBA, MBA (Under self-financing Scheme) courses along with the research degree program (Ph. D). In addition, it also offers two year MBA program through distance education mode. Students from the School are well received by the Corporate India for in-company trainings and placement. In the past, the School has signed a memorandum of Understanding with the IIMs for considering CAT score to admit students to the MBA courses; however, the school also conducts its own entrance test. Its alumnus occupies senior positions in the different walks of business and corporate life.

About the Seminar

As the Indian agriculture has been in deep stress for variety of reasons and PMFBY is conceptualized as panacea to address woes of farming community. An academic discourse on the Pradhan Mantri Fasal Bima Yojana (PMFBY) is obvious to assess its impact on and relief to the farmers. The deliberations in this seminar are purposively designed to understand the dynamics of risk in Indian Agriculture and its mitigation interventions. This academic discourse shall identify operational issues and challenges in implementation of PMFBY, debate risk assessment mechanism and discuss its financial viability and sustainability in order to better understand the dynamics of risk and risk mitigation strategies in Indian Agriculture. Essentially, the seminar aim to help farmers to sustain vagaries of agriculture through the following:

- i) Promoting awareness and understanding of the Crop Insurance Scheme 2016
- ii) Comprehension of mechanism and administration of the Crop Insurance
- iii) Understanding the risk management tools for the farm sector
- iv) Developing strategies for agriculture risk management

The proposed seminar will be a confluence of prominent agri-experts, academicians, insurance intermediaries and farm representatives and organizations to debate and chalk out modalities for efficient, productive and cost effective administration of Pradhan Mantri Fasal Bima Yojana, 2016 as per the scheduled given below:

February 10, 2017	Session I	9:30-11:00 AM Seminar Inauguration with keynote Address and presidential Address by the Invited dignitaries
February 10, 2017	Session I	Panel Discussion Eminent agri - experts, insurance intermediaries, farm representatives and agri-finance and development institutions
February 10, 2017	Session II	(concurrently run with Panel Discussion) 11:15- 1:15 Noon Paper presentation by Academics and researchers
February 10, 2017	Open House	Discussion 1:45-3:15 AN with progressive farmer and farm organizations/ affiliates
February 10, 2017	Valedictory Session	3:30-4:30 AN Presentation of session / panel reports and
