Dated: 17-04-2017

Walk-in-Interview for Research Fellowship

A walk-in-interview for the post of Junior Research Fellow (JRF)/Project Fellow in the Department of Electronic Science under research project entitled "**Synthesis and characterization of II-VI semiconductor nanostructures for optoelectronic and photovoltaic applications**" sponsored by Department of Science and Technology (SERB-DST, New Delhi) is to be held on 27-04-2017 at 10.00am in the office of Chairperson, Deptt. of Electronic Science, KUK. The duration of the job is co-terminus with project. For JRF, M.Sc. (Electronic Science)/M.Sc.(Physics with specialization in Electronics/Solid State Physics)/M.Tech. (Nanoscience & Nanotechnology/Technology)/M.Tech. (Microelectronics & VLSI Design) with at least 55% marks (50% for SC/ST) are required. Preference will be given to NET/GATE qualified candidates. Salary will be given as per DST norms.

The interested candidates are requested to report at 10.00am on 27-04-2017 in the office of Chairperson, Deptt. of Electronic Science. No TA/DA will be paid for walk-in-interview.
