NOTICE

Technical specifications for selection of the partner in MOES funded project "Seismic Microzonation of 30-cities in India"

In the context of "Geotechnical and Geophysical Investigations under the Project Seismic Microzonation of 30-Cities in India" funded by the National Centre for Seismology (NCS), Ministry of Earth Sciences (MoES), Government of India, the Department of Geophysics, Kurukshetra University, Kurukshetra, Haryana wish to submit tender to conduct Seismic Microzonation as per the guidelines of the approved RFP (www.moes.gov.in) document for the cities on priority basis namely Amritsar, Meerut, Agra, Lucknow, Kanpur, Varanasi, Patna and Dhanbad. The department invites company/private agency/organization in India as 'partner organization' who fulfill following technical specifications:

- 1. The company/private agency/organization must have experience of working in the microzonation studies of cities/areas including surveying, geotechnical, geological and geophysical investigations in a project sponsored by any national/international govt./private agency.*
- 2. The company/private agency/organization should have been established at least 10 years before and have done work in the similar field of microzonation studies.*
- 3. The minimum annual turnover of the company in the last three years should be at least Rs. 5 crores.*
- 4. The company must provide the list of equipments, tools and technologies available with it for this work. The company must consist of good team of geophysical/seismological and geotechnical experts.*
- 5. The company must have its own NABL certified lab for geotechnical investigations.*
- 6. The proven record in support of any claim by the company/private agency/organization should be attached with the application.*

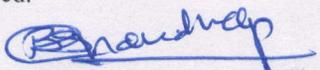

Interested companies/private agencies/organizations are requested to submit application along with all documents in support of their technical specifications and proven track record of microzonation work in a sealed envelope by speed post/courier so as to reach the department on or before 01.03.2019 by 05:00 pm on the following address:

**The Chairman,
Department of Geophysics,
Kurukshetra University, Kurukshetra -136119
Haryana, India**

Clarification, if any, may be raised to the chairman_geophysics@kuk.ac.in.

Note:

1. The department has the sole discretion to select or reject the partner company/organization/private agency.
2. Dispute, if any, will be subject to the jurisdiction of Kurukshetra district court only.
3. Any false information produced/submitted in the application, if detected at any stage, will be rejected.
4. Applications received after the due date i.e. March 01, 2019 by 05:00pm, will not be considered.
5. The selected company/companies will be informed by email only for the further process.

Chairman,
Department of Geophysics
Kurukshetra University
KURUKSHETRA-136119.
