

**IMPORTANT NOTE/INSTRUCTIONS FOR CANDIDATES REGARDING  
DOMAIN KNOWLEDGE TEST**

1. As the Domain Knowledge Test is aimed at judging the Domain Knowledge of candidates with respect to (i) conceptual clarity of the subject, (ii) overall subject knowledge and (iii) knowledge of latest developments in the subject, the syllabi uploaded for different subjects give only general outline and are hence, suggestive in nature.
2. The Domain Knowledge Test shall be of one hour duration.
3. The question paper of test in each subject shall consist of FIFTY multiple-choice-type questions, with each question carrying a weightage of TWO marks. The candidates shall be required to select the most appropriate option out of four options on the OMR-based answer sheet.
4. There shall be negative marking, with a deduction of 25% marks(i.e., 0.5 marks) for each wrong answer.
5. The final score of Domain Knowledge shall be one-fifth of the marks secured by a candidate in the Domain Knowledge Test.
6. There shall be no rounding-off of the marks.
7. The question paper and answer key in each subject shall be thoroughly thrashed out/checked for correctness by a committee consisting of respective subject experts, after the conclusion of the test. In case of any ambiguity in any question/answer, due remedial measures as recommended by the committee of subject experts shall be taken in a uniform manner. The decision of the subject experts committee shall be final in this regard.
8. In case any candidate secures negative marks in the domain knowledge test, zero marks shall be awarded for the same.
