

About the University

Commencing its journey in 1956 as a Sanskrit University, this university is presently a multi-faculty, multi-disciplinary center of higher learning. A sprawling 473 acres campus housing 47 departments/institutes within 10 faculties provide a world class learning experience realizing its mission and vision. The commitment of all stakeholders of the university towards excellence in academics and research has resulted in the university being awarded A+ grade by NAAC in 2017 and also been ranked 80th among the universities in the NIRF survey in 2018. As per UGC regulation on Graded Autonomy, our university has been ranked 8th among state universities under Category-I. The University has recently been awarded with Category-I RUSA-2 grant in addition to funding from national and international funding agencies such as UGC, DST, ICSSR, CSIR, DRDO, DPT, UNDP, World Bank, etc.

Faculty Development Centre

Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNTT), an initiative of MHRD, Govt. of India, is envisaged to address comprehensively all issues related to teachers, teaching, teacher preparation and professional development. Under this scheme Faculty Development Centers (FDCs) have been established to inculcate among the teachers the motivation to promote institutional effectiveness through the development of personal, instructional, organizational and professional growth of the faculty.

As notified by the UGC wide Gazette of India No. Regd. No. DL 33004/99 dated July 18, 2018, all short-term and long-duration capacity-building programmes for teachers/faculty in different pedagogic and discipline-specific areas being conducted by Faculty Development Centre (FDCs), under the PMMMNTT scheme shall be taken into consideration for fulfillment of the requirements as laid down in Career Advancement Scheme of these Regulations.

About the Capacity Building Programme (CBP)

The Short Term Course on Natural Resource Management under Changing Climate will be instrumental in creating awareness among the faculty about the emerging challenge of Climate Change and its impacts on our Natural Resources. This understanding shall orient the faculty in aligning the teaching - learning process to promote the quality of education.

Objectives

The CBP on *Natural Resource Management under Changing Climate* aims at conveying understanding about:-

- Changing patterns of Climate with future projections of temperature, precipitation and other extreme events
- Natural resources-types, present status, and emerging threats on their availability
- Impacts and stresses of Climate Change on availability and exploitation of Natural Resources
- Management of Natural Resources in the face of increased uncertainty and risk of Climate Change

Duration

The programme is scheduled from June 24-29, 2019. Each day, duration of the Sessions will be 9.00 am to 5.00 pm with a lunch break from 1.00 pm to 2.00 pm.

Target Group

Applications are invited from faculty members of Universities/ Colleges/ Institutes of Higher Education to enroll for the programme. Preference will be given to those teachers working in Universities or Colleges under Sections 2(f) and 12 B of the UGC Act, 1956.

Registration

There is no registration fee for participation in the programme. Travelling allowance will be reimbursed to outstation participants as per University rules. Participants need to fill in application form and email it at: fdckuk2018@gmail.com latest by 08-06-2017.

Hospitality

In addition to TA, participants will also be provided boarding/lodging by the Faculty Development Centre during the Capacity Building Programme in the university guest house/ hostels as per availability.
