National Service Scheme (NSS) Application Form Submission

Dear students,

We are pleased to inform you that applications for the National Service Scheme (NSS) are now open for interested students of the Institute of Integrated and Honors Studies. The NSS provides an excellent opportunity for you to engage in community service and contribute to the betterment of society. If you are interested in joining NSS, you can obtain the NSS application form from the NSS Office or download it from the Institute official website. The completed application form, along with all required documents, should be submitted to the NSS Office no later than **August 25, 2024**.

Please note that participation in NSS can be a rewarding and enriching experience, allowing you to develop leadership skills, foster social responsibility, and make a positive impact on the community.

For any further information or clarification, please feel free to contact the **NSS office/NSS officer (Room no.38, Ground floor, old building)** of the Institute.

Let's come together and make a difference through NSS!

NSS, Programme officer
