PATRON IN CHIEF
Prof. Somnath Sachdeva,
Hon'ble Vice-Chancellor, Kurukshetra University, Kurukshetra

Leonardo Da Vinci once said, “People of accomplishment rarely sit back and let things happen to them. They go out and happen to things”. There is no better example than our Hon'ble Vice Chancellor Sir who justifies this quote. An alumnus of Kurukshetra University, he did his graduation in civil engineering from Regional Engineering College Kurukshetra and later his Doctorate from this university. He has more than 33 years of rich experience of teaching, research, consultancy and administration at NIT Kurukshetra. A National Scholarship holder, he obtained all his academic qualifications with top rank in Board & University. His area of specialisation is Transportation Engineering. He is credited to start M.Tech Program in Transportation Engineering in 2005 in Civil Engineering Deptt of NIT Kurukshetra and set up two advanced labs in the field along with updating of existing Highway Engineering Lab. Dr SomNath started his teaching career from Punjab Engineering College Chandigarh before joining NIT Kurukshetra. He has been adjudged as the Best Teacher of Civil Engineering Department in the students' feedback. Sir's passion for teaching can be judged by the fact that he preferred the profession of teaching to other selections that include: commissioned officer in Army Engineers through Service Selection Board, Executive Engineer in Border Roads Organization through Indian Engineering Services Examination of UPSC and Executive Engineer in Construction Wing of All India Radio and Doordarshan through IES examination of UPSC and so on. Apart from his academic excellence, he is known for his contribution to social service activities.
