Dear Vice Chancellor,

This is in continuation of my earlier letter of even number dated 1<sup>st</sup> May, 2018 regarding consolidated list of MOOCs offered in the July, 2018 semester on SWAYAM Platform.

The list of 58 UGC PG MOOCs courses to be offered in January Semester 2019 is enclosed herewith and may be seen at UGC MOOCs Website:-  
<https://ugemoocs.inlibnet.ac.in/>

The Universities are requested to help in this quality initiative of Govt. of India through the Adoption, Development and promotion of MOOCs on SWAYAM as given below:

Adoption

The Universities across India are requested to help in this quality initiative of Govt. of India through the **Adoption** of MOOCs Course through SWAYAM platform in their university. The UGC requests the universities to obtain the approval of its statutory bodies and make efforts to see that each faculty /department/school chooses at least one MOOCs course in the coming session. The Courses adopted by the University may be intimated to the UGC through the following link

<https://ugemoocs.inlibnet.ac.in/portal/index.php/ccourse>

### Development

The Universities are also requested to encourage faculty members of the university to produce MOOCs courses, which will give them the opportunity of using ICT tools for teaching learning purpose and also provide them global visibility by applying in response to rolling advertisement on the UGC MOOCs website (<https://ugemoocs.inflibnet.ac.in/swayam/>) on any subject of their choice out of the curriculum for the post graduate programmes undertaken by the university. The UGC will provide financial assistance as per the **MOOCs guidelines**. The Universities which are under section 2(f) and 12B of UGC Act, 1956, and eligible to receive central assistance may apply to UGC for this grant.

### Promotion

Further to **Promote** the MOOCs Courses on SWAYAM, UGC has developed TVCs, jingles and posters for creating awareness about the SWAYAM initiative. Universities are requested to make effective use of the social media tools like TWITTER, FACEBOOK, WHATSAPP etc. for popularising MOOCs amongst the students and faculty. These TVCs, jingles and posters are available on UGC website. UGC has also identified SWAYAM Coordinators in Universities and SWAYAM Mentors in colleges to work as Local Chapters for the SWAYAM courses amongst students in particular and the academic fraternity at large, thereby enabling a bigger and wider access to students avail the benefits of MOOCs. If the Universities have not identified any SWAYAM Coordinator till date, then they may be requested to identify and send the details of the SWAYAM Coordinator to UGC.

UGC has already dispatched the hard copies of the SWAYAM Posters to you with a request to prominently display these posters in University/Institution campuses especially in the areas where faculty/students/learners generally assemble like hostels, canteen, mess, academic blocks and common places etc

I hope that you will help in this quality initiative of MHRD & UGC and take proactive steps by engaging the faculty and students in these activities.

With regards,

Yours sincerely,

Subject: Relaxation in Eligibility condition for admission to Postgraduate Courses.

Respected Sir,

It is humbly brought to your kind notice on behalf of the Haryana Govt. Aided Colleges Principals' Association that the student strength in postgraduate courses especially in Humanities stream is constantly declining in the colleges for the last many years. The main reason is the provision of promotion to next class at undergraduate level inspite of reappears in all papers. As a result of which the pass percentage in undergraduate courses especially in the final year comes down significantly.

Due to this reason and the prevailing eligibility condition for admission to postgraduate courses (clear cut pass in all subjects in lower class) maximum seats remain vacant especially in Humanities subjects in every college in spite of adequate faculty and infrastructure. As a result of which the academic environment and revenue generation in the colleges is suffering badly due to less admission in postgraduate courses.

In order to augment the intake of students in Postgraduate Courses especially in Arts stream, it is requested that a student having Reappear in one subject at undergraduate level other than the opted subject for post-graduation may be allowed to seek admission to a postgraduate course. This eligibility condition is already prevailing in the Panjab University Chandigarh.

This matter has already been discussed with your good self in presence of Principals of some colleges and your good self had desired proper written representation in the matter.

Your good self is humbly requested to consider this request sympathetically in order to facilitate the admission seekers and for optimum utilisation of the qualified faculty which remains under-utilized in most of the Govt. Aided Colleges.

Needless to say that It will also generate additional revenue for the colleges as well as for the university and it will help in increasing the total number of admissions in colleges without any adverse qualitative effect on the postgraduate course.

I hope that your gracious self will give due consideration to the aforementioned submission and take a positive decision in this respect.

In case you find it desirable to constitute a committee to look into various aspects and implications in this matter, I request you to include one Principals' representative in such a committee.

Thanking you in anticipation of an early response.

Yours faithfully,

Dr. Raj Pal Singh,

Vide Endst. No .ACR-III/19/10374-10392 dated 25.6.2019 The Vice Chancellor under Section 11(5) of the K.U.Act, 1986 in anticipation of the approval of the Academic Council /Executive Council has approved the recommendations of the Committee dated 11.6.2019 to allow admission to the students having re-appear in only one paper either in 5<sup>th</sup> OR 6<sup>th</sup> Semester at undergraduate level for admission to the postgraduate level for admission to the postgraduate courses w.e.f. the session 2019-20 (other than the subject /paper in which he/she has sought admission in postgraduate Courses), in the affiliated colleges subject to the condition that they will not be allowed promotion in the 3<sup>rd</sup> Semester of Postgraduate Course, if they fail to pass the concerned one paper of their graduation before the commencement of the 3<sup>rd</sup> semester of their concerned P.G.Course and their provisional admission in the P.G.Course will be cancelled.

In this connection it is stated that the admissions in the Directorate of Distance Education, KUK has already been started from 1<sup>st</sup> July and will be continued upto 31<sup>st</sup> August, 2019. As per UGC instructions the admission criteria is ~~become~~ changed from this year. The admissions in the Directorate will be done two times in one year i.e July, 2019 and January, 2020. Due to this it seems that the strength of the students may decrease in the Directorate.

In view of the above it is proposed that the same criteria may also be considered for the admission in Directorate of Distance Education with the modification that the student has to pass the reappear paper of graduation before the commencement of the 2<sup>nd</sup> year examination as annual system of examination is being followed in Directorate of Distance Education and if approved, the case may be forwarded to the Dean, Academic Affairs with request to implement same eligibility conditions as mentioned above for taking admission in postgraduate classes for the students seeking admission in the directorate w.e.f. July, 2019 session.
