Subject: Humble request to review the decision taken in the
Deans' Committee for Ph.D. Scholars.

Most Venerable Sir,

With due regard we the Research Scholars of the
University School of Management of our esteem University take the
liberty to submit as under:

1. That we feel proud and privileged to have an opportunity to join the University School of Management of this University, the University which has recently been accredited A+ grade by the NAAC, as Research Scholars in the allied category (Management)..
2. That as per notification issued by the University, applications were invited from the candidates who belong to Commerce for admission to Ph. D programme in Management (as allied subject).
3. That we applied for the same and appeared in the entrance test after passing a long and rigorous process we were allowed admission to Ph. D.
4. That a major part of the programme in formalization of the admission like six months Ph.D. Course work, the result of which has already been declared on 26th April, 2018. Presentation has also been completed.
5. That recently a circular has been issued by the University (copy attached) wherein it has been mentioned that in Deans meeting it has been resolved that the Ph.D. Degree in the concerned subject only may be considered.
6. That on the one hand a notification has been issued earlier inviting application for admission to allied subject now on the other hand another notification has been issued mentioning therein that only concerned (main) subject Ph. D. degree will be considered. Both are contradictory in nature. Once the admission in allied subject has been allowed the second notification that too with retrospective effect is not maintainable and becomes infructuous itself.
7. That it will put the career and future of the scholars in dark. Had this fact been brought to our notice at that time we could not have applied and tried for allied subject.
8. That it is pertinent to mention here that no such distinction is prevalent in the other neighboring Universities including Haryana Public Service Commission.

To

The Vice-Chancellor,
Kurukshetra University,
Kurukshetra.

Subject: Submission for transfer of Ph. D. admission from University
School of Management to Department of Commerce.

Revered sir,

This is in furtherance of our earlier request (copy of which is attached) regarding transfer of our Ph. D. admission from University School of Management (allied) to Department of Commerce (main). This may please not be taken as we have any complaint against USM. All the staff in the USM is very cooperative and helping.

Sir, we know the University authorities will take judicious decision keeping in mind our future. Although the university has resolved the issue for the time being yet our career is at the initial stage by the time we complete our Ph. D. any policy may again come and we may fall prey to that policy. We know the University authorities have always been a student centric.

In view of above we shall feel grateful if you could kindly adjust us in the parent Department i.e. Department of Commerce on the seats available there or by allowing extra seats as a special case for one time relaxation as we have already completed all the formalities. If needed an option can be invited for transfer of department. It will be a great favour to us and will save our future.

Yours faithfully,

Research Scholars of USM)

Dear Sir / Madam,

I am to refer to the UGC's advisory issued vide D.O.No.F.14-12/2016(CPP-II) dated 26th October, 2016 addressed to the Vice Chancellors to include AYUSH disciplines in their Universities and affiliated Colleges to enable enrolment of candidates in the respective Ph.D. programme to facilitate the scholars pursuing their Ph.D. in AYUSH stream. Copy of said letter is enclosed for reference.

2. Further, I am happy to inform that on the lines of CSIR-UGC/ICMR NET, the Ministry of AYUSH through its Research Councils have initiated a National Level Entrance Test namely AYUSH-NET to promote quality research in AYUSH streams. Through this test fellowships are awarded to AYUSH scholars possessing post-graduate qualification (MD/MS) in the field of Ayurveda, Siddha, Unani, Homoeopathy and Yoga & Naturopathy (or BNYS degree with 5 years experience) and willing to pursue Ph.D. programme from any University of their own choice. AYUSH-NET consisted of two sections, viz., Aptitude section to test General Science and Research Aptitude; and subject specific section set by the experts in the system. The cut-off marks for the test have also been maintained at a high level in view that the qualifying candidates of AYUSH-NET have come out through an extensive test.

3. UGC has now communicated the approval of the Chairman, UGC vide D.O. Letter No. F-21-2/2016(PS/PMO/PG) dated 12.04.2018 addressed to the Secretary, AYUSH (copy enclosed for reference) regarding exemption to the AYUSH-NET qualified candidates from taking University Entrance Test for enrolment in Ph.D. programme. UGC has recommended that AYUSH-NET and UGC-NET may be mutually recognized for the purpose of admission to M.Phil/Ph.D. programmes in the subjects covered under AYUSH except for those subjects in which UGC is conducting NET such as 'Yoga'.

4. In view of the above-mentioned mutual recognition of UGC-NET and AYUSH-NET for admission in Ph.D. programme, I request you to extend exemption to AYUSH-NET qualified candidates from university entrance test for Ph.D. Programme in your esteemed university and affiliated colleges, similar to the exemption already granted to UGC-NET and CSIR-NET etc. qualified candidates from the Ph.D. Entrance Test. It is also hereby intimated that many of the Universities including Central Universities like BHU, AMU and Jamia Milia etc are already considering exemption to the AYUSH-NET qualified fellows and have also made amendments in their Ph.D. Ordinance and Notification etc.

With regards,

The Vice Chancellors of all Universities
and the Directors of Institutes having status of University

Yours sincerely,

(Rajesh Kotecha)
