

Kurukshetra University Kurukshetra
(Established by the State Legislature Act XII of 1956)
(‘A⁺’ Grade NAAC Accredited)

The Vision of the Kurukshetra University is “Be globally acknowledged as a distinguished centre of academic excellence”. The Mission of the university is “To prepare a class of proficient scholars and professionals with ingrained human values and commitment to expand the frontiers of knowledge for the advancement of society”. In line with Vision and Mission of the University, it provides world class learning experience, especially designed to develop intellectual abilities as well as quest for research with ingrained human qualities. In addition to providing quality education to the students, Kurukshetra University embodies the values of Yogastha Kuru Karmani, enshrined in Bhagavadagita, which embodies performing actions while steadfast in state of Yoga. The University equips the students with skills, insights, attitudes and practical experiences to carve out perspicacious citizens out of them. A directed thrust is visible in course curricula on issues like nationalism, peace and harmony, gender equality, social justice, environmental protection, etc. so that the students passing out of the university may assume the role of engines of growth for national development while pursuing the careers of their choice. Keeping in view the importance of curriculum design, its implementation and desired learning outcomes, the University lays a great emphasis on its policies regarding curricular aspects as per regional and national goals, in consonance with the latest international developments in different areas of study. Besides academics and research, the University is among top ranking institutions in sports. There are 12 Arjuna Awardees, 4 Dronacharya Awardees, 1 Major Dhyan Chand Awardee and several other national and international awards to its credit. The University has emerged as cultural capital of Haryana and has been the epicentre of cultural activities and has been organizing Ratnawali festival since three decades. The University offers a plethora of opportunities for the young learners to carve themselves into a useful member of the society, in addition to getting their education and research degrees.

Overall the University instills academic capabilities in the students and also provides them an opportunity to identify and hone their potential and skills in diverse fields including healthy living through yoga and sports, cultivating communication skills, debates, presentations etc., sensitizing students for the upliftment of the marginalized sections of the society.
