**Subject: - Conduct of various Engineering Practical Examinations (Odd Sem.) to be held in Jan. 2022-23.**

Dear Sir/Madam,

This is to inform you that the schedule of theory examination will be as under:

Name of the Class	Dates of Theory Examinations (Excluding Sundays / Holidays)
B. Tech. 7 <sup>th</sup> Sem.	08.01.2023
B. Tech. 8 <sup>th</sup> Sem. (Special)	08.01.2023
B. Tech. 5 <sup>th</sup> Sem.	08.01.2023
B. Tech. 3 <sup>rd</sup> Sem.	20.01.2023
B. Tech. 1 <sup>st</sup> Sem.	20.01.2023

For smooth conduct of Examinations, the University has also decided that:

1. the practical examinations of Odd Semesters of all the Engineering courses will be conducted within one week after completion of B.Tech. theory examinations of each semester for the session 2022-23.
2. It was pointed out that some of the external examiners appointed by the University do not turn up on the day of practical examinations which causes harassment to the students/colleges. Therefore, it was decided that the BOS will supply the panel consisting of sufficient subject-wise name of examiners alongwith their E-mail ID and Mobile Numbers to the Conduct Branch. The panel of examiners will be supplied to all the Engineering Colleges by the Practical Section of Conduct Branch and the

Director/Principal of the examination centre concerned will appoint the examiner(s) strictly out of the panel from the nearby District.

3. while appointing the examiner(s), it must be kept in mind that the appointment should not be made on reciprocal basis and the distance each way should not exceed 200 kms.

Yours faithfully,

*Harb*
