

**Passed in the PGBOS meeting held on 03.05.2024**

The following instructions for the course **MLIS-209** may be added in the Syllabus of **M.Lib.I.Sc.(Regular)** w.e.f. session 2023-24

<b>MLIS-209: PROJECT REPORT</b>		<b>Total Credit: 4</b> <b>Total Marks: 100</b>
<b>Objectives</b> <ul style="list-style-type: none"><li>• To identify a contemporary problem for investigation in the field of Library &amp; Information Science.</li><li>• To train the students in the use of specific research methodology.</li><li>• To train the students in the writing of research report.</li></ul>		
<b>Course Outcomes:</b> After completing this course, the students will be able to:		
<b>MLIS-209.1</b>	Identify specific problem and its facets for investigation.	
<b>MLIS-209.2</b>	Prepare research proposal.	
<b>MLIS-209.3</b>	Apply specific research methodology appropriate to the selected problem.	
<b>MLIS-209.4</b>	Write a report of the investigation.	
<b>Method of Instruction</b> <p>Each student will be required to submit a project report on an approved topic of current research and application. The report is to be submitted both in hard and soft format. Each student will work under one guide from the Department for successful completion of the project. The areas and topics will be finalized and approved by the Departmental Staff Council. Each report will be evaluated by a committee consisting of all the regular faculty members of the Department and marks/grades for evaluation will be on presentation, methodology and inputs put in the work. The viva voce will be conducted by the committee comprising of the guide of the candidate and external examiner. The project will be of 100 marks out of which 80 marks will be awarded to project report evaluation and 20 marks will be for viva-voce by the said committee. There will be no internal assessment. The project report preferably is to be submitted before the commencement of the 2<sup>nd</sup> semester examinations.</p>		

**Passed in the PGBOS meeting held on 03.05.2024**
