

REPORT
ON

Two-week Online Interdisciplinary Refresher Course in Disaster Management

28-07-2022 to 10-08-2022

Organised by
UGC-HUMAN RESOURCE DEVELOPMENT CENTRE
KURUKSHETRA UNIVERSITY KURUKSHETRA
(Established by the State Legislature Act XII of 1956)
(“A+” Grade, NAAC Accredited)

&

Department of Geology (KUK)

Course Coordinator: Dr. Naresh Kumar
Chairperson, Department of Geology (KUK)

Course Co-Coordinator: Dr. Om Prakash Thakur,
Assistant Professor, Department of Geology (KUK)

Department of Geology,
Kurukshetra University,
Kurukshetra-136119.

"First of all, we would like to convey my sincere gratitude to UGC-HRDC, KURUKSHETRA UNIVERSITY, KURUKSHETRA for organizing such a wonderful and much needed Refresher Course. Total of 43 participants from different background across the country were participated in this Two-week Online Interdisciplinary Refresher Course in Disaster Management from 28-07-2022 to 10-08-2022. Every day, 4 expert lectures of 90 minutes each, i.e. first lecture from 9:30 AM to 11:00 AM, second lecture from 11:30 to 1:00 PM, Third lecture from 2:00 PM to 3:30 PM and Fourth lecture 3:30 PM to 5:00 PM were conducted. These all expert lectures were delivered by learned personality across the country. The participants interacted with them and got clarity on many issues related to the topic of lecture. Evaluation of participant done by HRDC-KUK on the basis of their presentation, MCQ test, writing of book review and also on each participant's presentation and conduct a session as a chairperson etc.

The inaugural session was held on 28/7/2022 in the august presence of Hon'ble Vice-chancellor, KUK, Prof. Somnath Sachdeva (As Chief Guest), Dr. G. S. Tiwari (The Dy. Director General, GSI, Chandigarh as Guest of Honor), and Prof. Manjula Chaudhary (Director, HRDC, KUK). The details of the programme is given below:

Chairman
Department of Geology,
Kurukshetra University,
Kurukshetra - 136119.

Chairman
Department of Geology,
Kurukshetra University,
Kurukshetra-136119.

Day 1	28/7/22			
	Speaker	Chairperson	Topic	Key Points
Inaugural Session	Hon'ble Prof SomNath Sachdeva, Vice-Chancellor, KUK - Director HRDC Kurukshetra University	Dr Naresh Kumar Department of Geology KUK Dr Om Prakash Thakur Department of Geology KUK	Inaugural Session	-The inaugural programme was held at 09:30 a.m. on 28th July, 2022. The Course Coordinator and Chairperson, Department of Geology, Dr. Naresh Kumar welcomed the Guests and participants. Hon'ble Vice-Chancellor, Prof. Prof Somnath Sachdeva, had given a welcome address. Dr. G. S. Tiwari, Dy. Director General, Ministry of Mines, Geological Survey of India, Chandigarh had a short speech highlighting the works and assignments of GSI and its need in Disaster management. Prof. Manjula Chaudhary highlighted the importance of such programme in her presidential remarks. Dr Om Prakash Co-Ordinator, Department of Geology, Kurukshetra University proposed the vote of thanks.
Lecture 1	Shri. Sanjoy Moulik District Management Officer West Bengal	Dr Naresh Kumar Department of Geology KUK	Disaster and Development: The Trade off	-India disaster Scenario - Comparison between Hazard and its type -Disaster cause loss of social assets
Lecture 2	Shri. Sanjoy Moulik District Management Officer West Bengal	Dr Naresh Kumar Department of Geology KUK	Do's and Don'ts: A preliminary discussion in the context of DRR	- Do's and Don'ts: A preliminary discussion in the context of Disaster Risk Reduction in different disaster earthquake, Flood, drought etc
Lecture 3	Dr Kishore Kumar	Dr Om Prakash Thakur Department of Geology KUK	Consequence of neglecting geo-environmental factor and slope management issues during Planning.	- Consequence of neglecting geo-environmental factor and slope management issues during Planning, construction and maintenance of highway infrastructure in Himalayan region.
Day 2	29/7/22			
	Speaker	Chairperson	Topic	Key Point

Chairman
Department of Geology,
Kurukshetra University,
Kurukshetra-136119.

Lecture 1	Dr. BR Thakur Chairperson Department of Geography from Himachal Pradesh University, Shimla	1. Ms Suman Bala, Assistant Professor, Department of Home Science, Kurukshetra University, Kurukshetra	Assessment of soil erosion for conservation and planning of resources.	-The concept of soil erosion, geo spatial technologies and water conservation in disaster management -Health of natural resources, its importance, management & conservation of natural resources.
Lecture 2	Dr. R. C. Patel	2. Dr. (Ms) Manisha Sandhu, Assistant Professor, Department of Geophysics, Kurukshetra University, Kurukshetra	Science behind the Natural disasters in the Himalaya.	-Definition of the natural disasters and its types on the basis of origin and its effects on the environment and the society -Explained the formation of the Himalayas -Dynamic Coupling Between Climate-Driven Erosion and Tectonics: Channel Flow Model
Lecture 3	Dr Atul Kohli Director (g), Geological Survey of India (GSI), Chandigarh	3. Dr. Rambichar Singh Yadav, Assistant Professor, Department of Geophysics, Kurukshetra University, Kurukshetra	Disaster Management: Risk Assessment and Response	-The basic concept of Disaster management in which he focused mainly on four important terms of it: what, why, when and how. Then he discussed different terminologies related to Disaster management such as Hazard, Disaster, Vulnerability and Risk.
Lecture 4	Dr. M. V. Ravibabu, Associate Professor National Institute of Rural Development and Panchayati Raj (NIRDPR), Ministry of Rural Development, Govt. of India, Hyderabad	4. Dr. Sushil Kumar, Assistant Professor, Department of Geophysics, Kurukshetra University, Kurukshetra	Role of Geo- Spatial Technologies for Disaster Management- special reference to rural areas".	-About the National Institute of Rural Development & Panchayati Raj (NIRDPR). -Activities of the Center for Geospatial Technology in Rural Development (CGARD). -Geospatial data for disaster management in rural areas. -Disaster Management in Gram Panchayat Development Plan (GPDP). -Discussion on various Challenges of adapting disaster management strategies in rural areas.
Day 3	30/7/22			
	Speaker	Chairperson	Topic	Key Point
Lecture 1	Prof. S.K. Varshney, Advisor and Head, International Cooperation, Department of Science	5. Dr. Jitender Kumar Bhardwaj, Assistant Professor, Department of Zoology, Kurukshetra University.	Disaster Research Funding Opportunities	-He nicely explained the various aspects of disaster including areas of concern, network for disaster risk reduction etc. He also described the various funding opportunities including different projects

Chairman
Department of Geology,
Kurukshetra University,
Kurukshetra-136119.

	and Technology, Government of India	Kurukshetra		offered by DST, world bank grants, state govt. projects and asia pacific disaster response fund.
Lecture 2	Sh. S.K. Varshney, Adviser and Head, International Cooperation, Department of Science and Technology, New Delhi	6.Dr. Satish Kumar, Assistant Professor, Department of Geology, Kurukshetra University, Kurukshetra	'EFFECTIVE PROJECT WRITING FOR GRANTS'	-Features of a good proposal, -Important parts of project -Innovation -A few common features for selection of project's area -Action plan and Writing tips
Lecture 3	Prof. Surya Prakash NIDM	7.Dr. (Ms) Sulekha Chahal, Assistant Professor, Department of Biotechnology, Kurukshetra University, Kurukshetra	Disaster Management- History, Concept and Evolution	-He discusses the difference between- Hazards and Disaster and its types. -Explains the concept of disaster Management -He also discusses National policy on disaster management (2009) and National disaster management plan (2019) of Govt. of India along with Prime Minister's ten point agenda on DDR (disaster risk reduction.)
Lecture 4	Dr Meenal Mishra, Professor in IGNOU, New Delhi,	8.Dr. Vikram Singh, Assistant Professor, Department of English, Kurukshetra University, Kurukshetra	Earthquakes and Volcanoes	-How earthquakes and volcanic eruptions are incredible and dramatic natural events -Development of an ethos of prevention, mitigation, preparedness and response of the disasters -Sudden movements such as earthquakes and volcanoes create widespread devastation on the planet's surface.
Day 4	1/8/22			
	Speaker	Chairperson	Topic	Key Point
Lecture 1	Prof. V.K.Garg School of Environment and Earth Sciences, Central University of Punjab, Bhatinda.	9.Dr. (Ms) Dipti Grover, Assistant Professor, Institute of Environmental Studies, Kurukshetra University, Kurukshetra	"Atom for Peace"	-Radioactivity and its application for positive implications. -He talked about various radioactive accidents (Hiroshima, Nagasaki, Fukushima, Bhopal gas tragedy etc) and their impacts
Lecture 2	Prof. V.K.Garg ; School of Environment and Earth Sciences, Central	10. Ms Meenakshi Suhag, Assistant Professor, Institute of Environmental	Baseline Studies for nuclear power project".	-He emphasise on "Nuclear Energy in India" as one of the efficient option to produce electricity -He talked about his research studies, experiences

Chairman
Department of
Kurukshetra University,
Kurukshetra-136119.

	University of Punjab, Bhatinda.	Studies, Kurukshetra University, Kurukshetra		and findings of four major research projects completed under his supervision around proposed Nuclear Power Plant Site in Hisar and Fatehabad
Lecture 3	Shri Snadeep Baruah, currently working as a Scientist-F, custodian of NCSTC and Vigyan Prasar Amateur Radio (Ham Radio) VHF Repeater Station in Vigyan Prasar, Delhi.	11. Dr. (Ms) Bhawna Dahiya, Assistant Professor, Institute of Environmental Studies, Kurukshetra University, Kurukshetra	Amateur Radio (Ham Radio)- Alternative mode of two way community communication for education and emergency communication	-Detail about the basics of Amateur Radio along with very interesting facts He also gave practical demo to the participants that showed his dedication in the field of radio technology
Lecture 4	Prof. Y.P. Sundriyal, Dept. of Geology, HNB Garhwal University, Srinagar (Uttarakhand)	12. Dr. Sandeep Gupta, Assistant Professor, Institute of Environmental Studies, Kurukshetra University, Kurukshetra	Disaster in Uttarakhand Himalaya: Natures' Fury OR Human Folly	-How the tectonic activities are continuously evolving the entire Himalaya which is still at its young stage. -Two category of climatically-induced disaster, glacial lake outburst and landslide lake outburst which becomes more likely to occur in the Monsoon season.
Day 5	2/8/22			
	Speaker	Chairperson	Topic	Key Point
Lecture 1	Dr Ajay Kumar Arya, Assistant Professor, Geology Department, University of Lucknow, Lucknow	13. Dr. Hardeep Rai Sharma, Assistant Professor, Institute of Environmental Studies, Kurukshetra University, Kurukshetra	"Landslides in Himalayas" with focus on Bharmour area, Dhauladhar range of Himachal Pradesh.	-According to him, landslides affect the various elements of the environment such as the topography of the earth's surface, quality of rivers, ground water flow, forests cover and the natural habitats of the wildlife. -Dr. Ajay elaborated the Neo-technoism and morphometric and lineament analysis
Lecture 2	Prof. S.K Pandita, Department of Geology, University of Jammu, Jammu	14. Dr. Anju Gupta, Assistant Professor, Department of Geography, Kurukshetra University, Kurukshetra	Disaster and Risk Reduction	-Explained about various disasters and their after effects. He also discussed about what we can do to minimize the effect, when we cannot reduce the disasters. He discussed all the disasters that occur in J&K

Chairman
Department of Geology,
Kurukshetra University,
Kurukshetra-136119.

www.kurukshetra.ac.in

Lecture 3	Dr Pavan Kumar Singh Joint Advisor (Operations) National Disaster Management Authority (NDMA), Government of India	15. Dr. Vivek, Assistant Professor of Tourism Management, Institute of Integrated and Honors Studies, Kurukshetra University, Kurukshetra	Role of technology in disaster risk governance	He told about the all aspects of disaster management act very systematically. what are the structure . policy features and coordination of Disaster management forces during execution of Disaster management plan in affected areas.
Participant's Seminar	Prof. N. N. Dogra, Emeritus Professor at Department of Geology, Kurukshetra University, Kurukshetra,	16. Dr. Neha, Assistant Professor of English, Dayanand Mahila Mahavidyalaya, Kurukshetra	Participant's Seminar	-Six participants had delivered their presentations on different aspects of disaster management.
Day 6	3/8/22			
	Speaker	Chairperson	Topic	Key Point
Lecture 1	Prof Varun Joshi, Professor in University School of Environment Management, GGS Indraprastha University, Dwarka, New Delhi,	17. Dr. (Ms) Ritu, Assistant Professor of English, Dayanand Mahila Mahavidyalaya, Kurukshetra	Understanding Disasters: Disaster Risk Reduction	- Detail about disaster, environment and development and its management cycle.
Lecture 2	Dr. S.K Mittal, Research Professor, Chitkara University, Chandigarh,	18. Dr. (Ms) Pooja Sharma, Librarian, Dayanand Mahila Mahavidyalaya, Kurukshetra	Natural Disaster Mitigation: A Journey	--Every aspect of Disaster management and presented his invaluable and pragmatic
Lecture 3	Dr. Anupam Sharma Scientist-F & Head, Department of Geochemistry, Convener, Research Development & Coordination Cell, Birbal	19. Dr. (Mrs) Shreshtha Muraal, Assistant Professor of Home Science, Govt. College for Girls, Palwal (Kurukshetra)	Earthquake- A Way of the Mother Earth to release Stress with a special reference to Reservoir	-His talk in two parts, first one is about basics of earthquake and the second one is related to Koyna region. -His presentation with the various myths regarding earthquakes leading to the basic reality and facts.

 Department of Geology,
 Kurukshetra University,
 Kurukshetra-136119.

	Sahni Institute of Palaeosciences (BSIP), DST, Govt. of India.		Triggered Seismicity in Koyna, Maharashtra.	
Participant's Seminar	Dr. Sunil Dhull, Deputy Director, HRDC KUK and Assistant Professor in Sociology, KUK	20.Dr. Anil Kumar Tomar, Assistant Professor of Physics, S.A. Jain P.G. College, Ambala City	Participant's Seminar	-Six participants had delivered their presentations on different aspects of disaster management.
Day 7	4/3/22			
	Speaker	Chairperson	Topic	Key Point
Lecture 1	Porf. B.S. Chaudhary, Department of Geophysics	21.Dr. (Ms) Nidhi, Assistant Professor of Home Science, Ch. Ishwar Singh Kanya Mahavidyalaya, Fatehpur-Pundri (Kaithal)	GEOSPATIAL TECHNOLOGY FOR DISASTER MANAGEMENT	-Elaborated various space programs and Spatial Technology on GIS, GPS, ICT and INSAT system application. -Explaining about ICT, Information and Communication Technology Geospatial Technologies are helpful in providing disaster warning for preparedness and during disaster.
Lecture 2	Dr. Shantanu Sarkar, Professor, Academy of Scientific & Innovative Research (AcSIR) CSIR-Central Building Research Institute, Roorkee, India.	22. Mrs. Komal Rani, Assistant Professor of Mathematics, Babu Anant Ram Janta College, Kaul (Kaithal)	Slope Stability Assessment and Mitigation Measures	-Causative factors of landslides like Preparatory factors, Triggering factors and controlling factors -Landslides hazard and risk management -Spatial prediction of landslide is necessary before planning for any hill development project
Lecture 3	Prof. Smita Chaudhry, Dean Life Sciences and Director, Institute of Environmental Studies, Kurukshetra University, Kurukshetra	23.Dr. (Ms) Neena, Assistant Professor of Health, Physical & Yoga Education, B.R.M. College of Education, Gharaunda (Karnal)	Degradation of Ecosystems and its restoration	-What is Ecological degradation? -The factors responsible for degradation -Why restoration of Ecosystem is important -Major action points for restoration of an Ecosystem -Benefits of restoration.

Chairman
Department of Geology,
Kurukshetra University,
Kurukshetra-136119.

Participant's Seminar	Dr. Yudhbir Singh, Assistant Professor of Geology, University of Jammu	24.Mr. Jaipal, Assistant Professor of Geology, Govt. College, Narnaul (Mahendergarh)	Participant's Seminar	--Six participants had delivered their presentations on different aspects of disaster management.
Day 8	5/3/22			
	Speaker	Chairperson	Topic	Key Point
Lecture 1	Dr. Ashok Kumar, Assistant Professor, Institute of Mass Communication & Media Technology, Kurukshetra University, Kurukshetra.	25.Dr. Ekta Dargan, Assistant Professor of Finance, Maharaja Agrasen Institute of Management Studies, New Delhi	Fake News and Misinformation at the time of Covid- 19."	-Key concepts- types of information, introduction to fake news and fake information. -He suggested ways to verify data, fake news and information using google tools
Lecture 2	Dr. A.R Chaudhri (Director, Centre of Excellence for Research on the Saraswati River in Kurukshetra University)	26.Dr. Vishal Pathak, Assistant Professor of Physics, R.K Arya College Nawanshahr (Pb.)	The Saraswati river system	-The Saraswati River used to flow from the glaciated peaks of the Himalaya to the Arabian sea, covering a distance of about 1800 km. It possibly sustained the Harappan civilization in the Indian subcontinent. -The Centre of Excellence for Research on Saraswati River (CERSR), Kurukshetra University, has claimed to have identified a major channel of the Saraswati river system.
Lecture 3	Dr. ASHOK KUMAR Assistant professor Institute of Mass communication and Media Technology Kurukshetra University Kurukshetra.	27.Mr. Rishipal Singh, Assistant Professor of Zoology, Lala Kishan Chand Govt. P.G. College Gangoh, Dist. Saharanpur (U.P.)	Misinformation during Covid-19 pandemic challenges and threats	-He told that how it was became difficult to inform the public in such a different situation which was totally life threatening to anybody, in spite of that challenges the media person sensitize the mass in which many of medias fellows died of corona infection related complications
Participant's Seminar	Dr. N. N. Dogra, Emeritus Professor at Department of Geology, Kurukshetra University, Kurukshetra	28.Dr. Anil Chauhan, Assistant Professor of Public Administration, Govt. P.G. College, Seema Rohru (H.P.)	Participant's Seminar	-Six participants had delivered their presentations on different aspects of disaster management.

Chairman
Department of Geology,
Kurukshetra University,
Kurukshetra-136119.

Day 9	6/8/22			
	Speaker	Chairperson	Topic	Key Point
Lecture 1	Dr. Yudhbir Singh, Assistant Professor of Geology, University of Jammu	29. Dr. Mukesh Kumar Tamta, Assistant Professor of Defence & Strategic Studies, Govt. P.G. College, Gopeshwar (Uk)	Flood	-Flood are the most common of all natural hazards and it cover the largest spatial area. -Nature of flood, damage by flood and causes of flood -Methods of flood prevention -Glims of Kashmir flood, Assam flood and Bihar flood
Lecture 2	Dr Pankaj Baghel IUAC, Delhi	30. Mr. Satyaject Arya, Assistant Professor of Environment Science, Faculty of Science, Sri Sri University, Cuttack (Odisha)	Chronological systematics in geoscience research	-He emphasised isotopes, mainly C ¹⁴ . These isotopes are readily available at government labs. -This can help many scientists to study its properties and also use it for their own needs.
Lecture 3	Mr Amit Kumar Tuteja associated with NDMA as Community Based Disaster Risk Reduction Consultant.	31. Mr. Kamalesh Singh, Assistant Professor of Education, Bundelkhand College, Bundelkhand, Dist. Jhansi (M.P.)	Disaster Management in India and Role of Volunteers	-He discussed different terminologies related to Disaster Management such as Indian Rivers and it's tributaries, Disaster Management Act 2005 Vulnerability and Risk. Then he discussed about the NDMA, SDMA & DDMA. Than he explained about the structure of N.D.R.F in India.
Participant's Seminar	Dr. Sunil Kumar Dhull, Department of Sociology, Kurukshetra University, Kurukshetra.	32. Dr. Aditya Sarkar, Assistant Professor of Geology, Presidency University, Kolkatta (W.B.)	Participant's Seminar	-Six participants had delivered their presentations on different aspects of disaster management.
Day 10	8/3/22			
	Speaker	Chairperson	Topic	Key Point
Lecture 1	Prof. Pradeep Padam Singh Kundal, PG Department of Geology, Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU),	33. Dr. Utsab Ghosal, Assistant Professor of Geology, Presidency University, Kolkatta (W.B.)	Man-made disaster: Pollution	-Discuss about the human-induced disasters, that included Noise, Soil, Air pollutions, that are harming the ecological balance

Chairman
Department of Geology,
Kurukshetra University,
Kurukshetra

	Nagpur, Maharashtra, India			
Lecture 2	Dr. A. K Singh Senior Scientist, Wadia Institute of Himalayan Geology	34. Dr. Laishram Sunil Singh, Assistant Professor of Geology, Waikhom Mani Girls' College, Thoubal (Manipur)	Remnant of the ancient oceanic lithosphere at suture zone imr : how was it possible and what does it tell us	-Variation of seismicity along the strike of Himalayan Arc, Major Erathquake in Himalaya and Seismic Risk in the Himalaya -Ophiolites are remnants of the ancient oceanic lithosphere at suture zones having the most graphical record of past episodes of ocean floor formation.
Lecture 3	Prof. Omvir	35. Mr. Thokchom Sunder Singh, Lecturer in Geology, S. Kula Women's College, Nambol, Manipur	Geospatial application in hydrological extremes mapping and modelling	-Details explain about Geospatial application in hydrological extremes mapping and modelling
Participant's Seminar	Prof. Dinesh Singh Rana from the Department of Instrumentation	36. Dr. (Ms) Bindu Battan, Assistant Professor, Department of Biotechnology, Kurukshetra University, Kurukshetra	Participant's Seminar	-Six participants had delivered their presentations on different aspects of disaster management.
Day 11	9/3/22			
	Speaker	Chairperson	Topic	Key Point
Lecture 1	Dr. Anil K. Gupta NIDM	37. Dr. (Ms) Ritu, Assistant Professor, Department of Chemistry, Kurukshetra University, Kurukshetra	Disaster management, risk reduction and relief	- He delivered very useful and informative talk about different type of disaster emerging day by day like urban flood, heat waves, vegetation fire, transport accidents etc. -He also elaborated about natural hazard, technological hazard and civil disasters.
Lecture 2	Prof. Santosh Kumar	38. Dr. Sohan Lal, Assistant Professor, Department of Chemistry, Kurukshetra University, Kurukshetra	Mineralogical and geochemical aspects for assessing terrain stability and near surface	-He delivered very useful and informative talk about exploitation of earth, geological hazards and different type of spheres of earth. He also elaborated about surface dynamics (interaction among geosphere and atmosphere) and Minerals:

 Chairperson
 Department of Geology,
 Kurukshetra University,
 Kurukshetra-137119.

Lecture 3	Dr. BR Thakur Chairperson Department of Geography from Himachal Pradesh University, Shimla	39. Dr. Parvin Kumar, Assistant Professor, Department of Chemistry, Kurukshetra University, Kurukshetra	environment Formulation of Research Project Proposal: Key Considerations	Building blocks of silicate structure. - Define Research and research project - research is a process of knowledge, not a product - Carrier based research and quarry based research - component of research project
Lecture 4	Prof R Baskar, School Of Sciences IGNOU, New Delhi	42. Dr. Abhishek Chandra, Assistant Professor of Environmental Sciences, Sri Venkateswara College (University of Delhi), Dhaura Kaun New Delhi	Natural hazards: Over views	<ul style="list-style-type: none"> - Montiel Protocol, Micropalstic, PM 10 point agenda for disaster Management - Disaster occurs before from human civilization on earth - History of Disaster Management in India - Importance of Disaster management Act 2015 and role of different ministries - Type of Natural hazards and its impact.
Day 12	10/3/22			
	Speaker	Chairperson	Topic	Key Point
Participant's Seminar	Dr Dababrata Das Department of Geology Pubjab University	40. Dr. Balesh Kumar, Librarian Sanatan Dharma College Ambala Cantt.	Participant's Seminar	- Six participants had delivered their presentations on different aspects of disaster management.
Lecture 1	Dr. Shubhasis Bhadra Department of Social Work, Central University of Rajasthan	41. Dr. Jaideep Chauhan, Assistant Professor of English, Sanatan Dharma College Ambala Cantt.	Mental Health issue and psychosocial support in Disaster Management practices: concerns and capacity building for everyone	<ul style="list-style-type: none"> - Explain how covid-19 effected our social, professional, family and community mental health and psychosocial. - What is disaster from mental and psychosocial prospective. - Core mental health and psychosocial support activity. - preparedness, response and implements
MCQ-Test				
Valedictory Session	Prof Pawan Kumar Sharma	Dr Naresh Kumar Department of Geology	Valedictory Session	- Opening remarks given by Dr Naresh Kumar - Brief reading on Refresher Reports by Dr -

 Kurukshetra-1

	Dean, R&D, KUK	KUK and Dr Om Prakash Thakur Department of Geology KUK		Abhishek Chandra --Chief Guest Remarks by Prof Pawan Kumar Sharma, Dean, R&D, KUK -Vote of thanks by Dr Om Prakash Thakur
--	----------------	--	--	--

During the entire course the participants learnt many things related to disaster management since all the resource persons' presentation enlightened the current scenario of disaster management and the scientific and academic importance in disaster management.

We would like to thank UGC-HRDC Kurukshetra university for organising the two weeks' interdisciplinary course on disaster management. We congratulate all the participants for the successful completion of their course and sincere thanks to all the resource persons who gave their best so that all the participants could understand the perspective of disaster management in a simple way.

Course Coordinator: Dr. Naresh Kumar

098682-72798-ac@svc.ac.in
43. Dr. (Ms) Kulvinder Kaur,
Assistant Professor of Geography,
Institute of Integrated & Honors Studies,
Kurukshetra University, Kurukshetra
098122-20016-kulvinder.ihs@kuk.ac.in

Chairman
Department of Geology,
Kurukshetra University,
Kurukshetra-136119.

Total No. of Participants: 43 (Forty three)

Subjects of Participants: Geology, Geophysics, Zoology, Biotechnology, Environmental Studies, Tourism, English, Physics, Physical Education, Finance, Library, Education etc.

Participants are from: Haryana, Utrakhand, New Delhi, West Bangal, Madhya Pradesh, Odisha, Manipur

Resource Persons are from: Geological Survey of India, Chandigarh; National Disaster Management Authority; Indira Gandhi National Open University (IGNOU), New Delhi; Department of Science & Technology, New Delhi; Disaster Management Cell, Ministry of Health & Family Welfare, Delhi; Wadia Institute of Himalayan Geology, Dehradun; Inter University Accelerator Centre (IUAC), New Delhi; CSIR-CBRI, Roorkee; Centre for Geoinformatics, Application in Rural Development, National Institute of Rural Development and Panchayati Raj, Ministry of Rural Development, G.E.I., Hyderabad; Birbal Sahni Institute of Palaeosciences, Lucknow; other State and Central Universities.

Topics Covered: Disaster and Development, DO's and Don'ts, Soil Erosion, Geohazard Risk and Response, Disaster in the Himalaya, Geo-spatial technologies for disaster management, Natural Hazards, Atoms for peace, Himalayan Landslides, Role of technology in Disaster risk governance, Ecosystems Degradation and Restoration, Disaster Management in India, International and national strategies for disaster management.

Expectations from Participants:

- To introduce Disaster Management in their respective Institutions.
- To aware the students about Disaster Management by mock drill.
- Help the Government agencies in making strategy/planning in Disaster Management.

Chairman
Department of Geology,
Kurukshetra University,
Kurukshetra-136119.

NATIONAL CONFERENCE

On

Recent Developments in Mathematics

(NCRDM-22)

26th-27th December 2022

to commemorate 135th Birth Anniversary of

SRINIVASA RAMANUJAN

and to highlight the contributions made by Indian Mathematicians
in post independence era

Organised by:

DEPARTMENT OF MATHEMATICS

Kurukshetra University, Kurukshetra (Haryana)

Funded by

Haryana State Council for Science, Innovation & Technology

&

Kurukshetra University, Kurukshetra

About the University

Kurukshetra University, Kurukshetra, is a NAAC accredited 'A+' Grade institute of higher education. Situated on the west bank of Brahm Sarovar, the campus of the University is a picturesque landscape spreading over an area of 425 acres. The foundation stone of Kurukshetra University was laid by Dr. Rajendra Prasad, the first President of India on January 11, 1957. The University which was initially a unitary institution with a focus on Sanskrit and Indic Studies, developed into a mega multifaculty institution. There are 10 Faculties comprising 49 Departments/Institutes which, together, run 175 courses. The University has the air-conditioned Jawaharlal Nehru Central Library, with a seating capacity of about 1000 scholars at a time. Entire campus has free access to internet through Wi-Fi internet connection. It provides teachers and students access to books, journals and other e-resources. The University campus has been rated as one of the most beautiful campus in India. The most remarkable feature of the campus is the seamless interconnection between the natural and the built environment.

About the Department

Department of Mathematics came into existence in the year 1961. Prof. S.D. Chopra was the founder Head of the Department. Since then the Department has made a commendable progress in teaching and research in various branches of Mathematics. It has earned National & International recognition in research in the fields of Mechanics of Solids, Elasticity, Theoretical Seismology, Analysis and Algebra. The Department has active groups of researchers consisting of teachers and research scholars in Pure and Applied Mathematics. Students of the Department have got placement at respectable positions in teaching, research and administrative organizations. The Department has organized number of Seminars/ Symposia conferences with the help of funding agencies like UGC, DST and Others. The Department has also organized summer schools. Number of Research projects funded by UGC/CSIR/DST/NBHM has been completed successfully in the department. The Department has been supported by the DST under FIST Scheme. The Department gets special assistance from National Board of Higher Mathematics, TIFR, Mumbai for the purchase of books in support of Departmental Library.

CALL FOR PAPERS

Participants are invited to register and submit the Abstract of their original research paper through the Registration link:

<https://forms.gle/3j9x36EDuWXW9paS9>

THEMES OF THE CONFERENCE

The broad areas of NCRDM-22 will include, but not limited to the following topics:

- ❖ Algebra
- ❖ Algebraic Coding Theory
- ❖ Algebraic Number Theory
- ❖ Ancient Indian Mathematics
- ❖ Applied Mathematics and Computing
- ❖ Artificial Intelligence
- ❖ Bio-Mathematics and Bio-Statistics
- ❖ Complex Analysis
- ❖ Control and Systems Theory
- ❖ Cryptography
- ❖ Data Science
- ❖ Differential Equations
- ❖ Discrete Mathematics
- ❖ Dynamical Systems and Nonlinear Analysis
- ❖ Elasticity
- ❖ Financial Mathematics
- ❖ Fluid Dynamics
- ❖ Fuzzy Mathematics
- ❖ Graph Theory

- ❖ History of Mathematics
- ❖ Information Theory
- ❖ Integral Equations
- ❖ Mathematical Modeling
- ❖ Mathematical Physics
- ❖ Mechanics of Solids
- ❖ Network Security
- ❖ Number Theory
- ❖ Numerical Analysis
- ❖ Operation Research
- ❖ Operator Theory
- ❖ Optimization Techniques
- ❖ Probability and Statistics
- ❖ Ramanujan's Contributions in Mathematics
- ❖ Real and Functional Analysis
- ❖ Reliability Theory
- ❖ Statistical Methods
- ❖ Theoretical Seismology
- ❖ Topology
- ❖ Vedic Mathematics
- ❖ Wavelet Analysis

IMPORTANT DATES

Registration and Submission of Abstract (MS-Word, 12 font size, 1.5 line spacing, Times New Roman font)	23.12.2022
--	------------

REGISTRATION FEE DETAILS

<i>Category of Participants</i>	<i>Amount</i>
Teachers from Educational Institutions/Researchers from Industry	Rs.1500/-
Research Scholars/Students	Rs.1000/-

- The fee can be paid in cash at the registration counter.
- Accommodation may be provided subject to availability and prior registration and request for accommodation on actual payment basis.

PATRON

Prof. Som Nath Sachdeva
Vice-Chancellor

NATIONAL CONFERENCE ON
RECENT DEVELOPMENTS IN MATHEMATICS (NCRDM-22)
DECEMBER 26TH & 27TH, 2022
CONFERENCE SCHEDULE

DAY-1, 26.12.2022- MONDAY (FACULTY LOUNGE)		
TIMINGS	EVENT	
9:00 AM -10:30 AM	REGISTRATION	
10:30 AM -11:40 AM	INAUGURAL SESSION	
Chief Guest- Prof. S.K. Tomar		
Guest of Honour- Prof. Som Nath Sachdeva		
Convenor- Prof. Anil Kumar Vashisth		
Organising Secretary- Prof. Vinod Kumar Bhardwaj		
11:40 AM -12:00 PM	TEA	
INVITED TALKS (FACULTY LOUNGE) Session Chair- Prof. Kapil Sharma		
TIMINGS	INVITED SPEAKER	TITLE OF THE TALK
12:00 PM - 12:40 PM	Keynote Speaker Prof. Mahesh C. Joshi	OPTIMIZATION: INSIGHT
12:40 PM - 1:10 PM	INVITED TALK- 1 Prof. Jaimala	STABILITY THEORY: AN EVALUATION OF THE EVOLUTION OF DISTURBANCES SUPERPOSED TO A BASIC FLOW
TECHNICAL SESSION-1 (DEPARTMENT OF MATHEMATICS)		
1:10 PM - 2:00 PM	PAPER PRESENTATION SESSIONS	PARALLEL SESSION 1.1 (VENUE : DEPARTMENT OF MATHEMATICS) PARALLEL SESSION 1.2 (VENUE : DEPARTMENT OF MATHEMATICS)
Parallel Session 1.1 Venue: Room No. 205, Department of Mathematics, KUK	Chair: Prof. Paras Ram	NCRDM-50/Aanchal NCRDM-48/Supriya NCRDM-43/Dr. Suniti NCRDM-18/Agin NCRDM-1/Umang Bareja

		NCRDM-68/Ashok Giri NCRDM-86/Komal Rani NCRDM-97/ Dr Mini
Parallel Session 1.2 Venue: Room No. 207, Department of Mathematics, KUK	Chair: Prof. Jaimala	NCRDM-87/Eena NCRDM-42/Anju NCRDM-3/Anupam Khanna NCRDM-13/Poonam Saini NCRDM-44/Dr Sandeep Gupta NCRDM-10/Sangeeta NCRDM-67/Swati Sharma NCRDM-98/Himanshi NCRDM-79/Ekta Sadana NCRDM-78/Nidhi
2:00 PM - 3:00 PM	LUNCH BREAK (Venue: University Guest House)	
INVITED TALKS (FACULTY LOUNGE) Session Chair- Prof. M.D. Sharma		
TIMINGS	INVITED SPEAKER	TITLE OF THE TALK
3:00 PM - 3:30 PM	INVITED TALK-2 Prof. Kapil Sharma	SINGULARLY PERTURBED PROBLEMS: CHALLENGES & REMEDIES
3:30 PM - 4:00 PM	INVITED TALK-3 Prof. D.S. Hooda	FUZZY SOFT SET THEORY AND ITS APPLICATIONS
4:00 PM - 4:15 PM	TEA BREAK	
TECHNICAL SESSION-2 (DEPARTMENT OF MATHEMATICS)		
4:15 PM- ONWARDS	PAPER PRESENTATION SESSIONS	PARALLEL SESSION 2.1 (VENUE : FACULTY LOUNGE) PARALLEL SESSION 2.2 (VENUE : DEPARTMENT OF MATHEMATICS) PARALLEL SESSION 2.3 (VENUE : DEPARTMENT OF MATHEMATICS)
Parallel Session 2.1 Venue: Faculty Lounge	Chair: Prof. M.D. Sharma	NCRDM-75/Dr Hema Sukheja NCRDM-71/Shafali NCRDM-63/Somnath Dutta NCRDM-39/Sangeeta NCRDM-36/Muluku Admasu NCRDM-90/Dr Sonia NCRDM-29/Pandya Jaydeep

		NCRDM-26/Mudassir Ahmad NCRDM-82/Raveena NCRDM-52/Puneet Kumar Pal NCRDM-49/Dr Nidhi Sharma NCRDM-46/Neelam Rani NCRDM-56/Dr Neeta Sharma NCRDM-64/Dr Indu Vij
Parallel Session 2.2 Venue: Room No.205, Department of Mathematics, KUK	Chair: Prof. A.S.V. Ravikanth	NCRDM-8/Narendra Biswas NCRDM-17/Jyoti Yadav NCRDM-66/Jorawar Bura NCRDM-28/Dr Kavita Rani NCRDM-51/Dr Geetan Manchanda NCRDM-57/Pardeep NCRDM-60/Tamanna NCRDM-6/Shipra NCRDM-59/Nidhi Sharma NCRDM-91/Mamta Devi NCRDM-19/Dr Ravinder Kumar Sahrawat NCRDM-21/Parveen Kumar NCRDM-69/Arun Kumar Yadav NCRDM-77/Monia
Parallel Session 2.3 Venue: Room No. 207, Department of Mathematics, KUK	Chair: Prof. Vinod Kumar Bhardwaj	NCRDM-38/Dr Hardish Kaur NCRDM-40/Dr Ashok Dahiya NCRDM-81/Dr Vivek Parkash NCRDM-94/Dr Sumita Gulati NCRDM-89/Sharvan Kumar NCRDM-92/Akshita NCRDM-96/A.D. Godase NCRDM-93/Pooja Singhal NCRDM-53/Om Saxsena NCRDM-33/Sourab NCRDM-65/Renuka NCRDM-12/Komal NCRDM-32/Monika Solkhe NCRDM-25/ Dr Suman Nain NCRDM-41/Jyoti Bajaj NCRDM-58/Ratika

DAY-2, 27.12.2022- TUESDAY

INVITED TALKS (VENUE : FACULTY LOUNGE)

Session Chair- Prof. D.S. Hooda

TIMINGS	INVITED SPEAKER	TITLE OF THE TALK
10:00 AM - 10:30 AM	INVITED TALK-4 Prof. Aseem Miglani	EVOLUTION OF MATHEMATICS IN INDIA
10:30 AM - 11:00 AM	INVITED TALK-5 Prof. Rashmi Bhardwaj	PATHWAYS TO NONLINEAR DYNAMICAL SYSTEMS

11:00 AM - 11:10 AM	TEA BREAK	
TECHNICAL SESSION-3		
11:10 AM- 01:00 PM	PPT COMPETITION-FINAL ROUND	Room No- 207 (VENUE : DEPARTMENT OF MATHEMATICS)
	Jury Panel Prof. Aseem Miglani Prof. Mandeep Singh Prof. A.S.V. Ravikanth	Gurleen Kaur Bipasha Nagpal Khushboo Prachi Jaganpreet Kaur Deepika Hotrik Anuradha
	PAPER PRESENTATION SESSIONS	PARALLEL SESSION 3.1 (VENUE : FACULTY LOUNGE) PARALLEL SESSION 3.2 (VENUE : DEPARTMENT OF MATHEMATICS)
Parallel Session 3.1 Venue: Faculty Lounge	Chair: Prof. V.P. Kaushik	NCRDM-45/Dr Sunil Kumar NCRDM-84/Dr Monika NCRDM-72/Arun Kochar NCRDM-55/Alisha NCRDM-16/Vishakha Gupta NCRDM-4/Purnima NCRDM-85/Komal Yadav NCRDM-62/Renu Bansal NCRDM-37/Gulshan Kumar Sharma NCRDM-99/Megha NCRDM-73/Ravinder NCRDM-7/Nidhi Sharma NCRDM-103/Dr Meenu Gupta NCRDM-105/Dr Garima NCRDM-106/Umed Singh
Parallel Session 3.2 Venue: Room No. 205, Department of Mathematics, KUK	Prof. Ram Karan	NCRDM-14/Neeraj Chobey NCRDM-83/Subhash Chand NCRDM-34/Dr Komal NCRDM-20/Vijay Parkash NCRDM-47/Dr Shiv Narain NCRDM-80/Vipin Kumar NCRDM-35/Arti NCRDM-61/Dr Jitender NCRDM-95/Dr Shweta Dhawan NCRDM-108/Amandeep NCRDM-100/Hanen Damak

INVITED TALKS (VENUE : FACULTY LOUNGE) Session Chair- Prof. Ram Karan		
TIMINGS	INVITED SPEAKER	TITLE OF THE TALK
01:00 PM - 1:30 PM	INVITED TALK-6 Prof. Mandeep Singh	MEANS OF POSITIVE NUMBERS AND THEIR EXTENSIONS
1:30 PM – 2:00 PM	INVITED TALK-7 Prof. Manju Pruthi	CONSTRUCTION OF CODES USING ALGEBRAIC TECHNIQUES
2:00 PM ONWARDS	VALEDICTORY SESSION	
Chief Guest- Prof. Mohammad Najmud Doja		
Guest of Honour- Dr Sanjeev Sharma		
Convenor- Prof. Anil Kumar Vashisth		
Organising Secretary- Prof. Vinod Kumar Bhardwaj		
3:00 PM	LUNCH (Venue: University Guest House)	

Chairman

K.U. KURUKSHETRA.

A Report of
NATIONAL CONFERENCE
ON
"RECENT DEVELOPMENTS IN MATHEMATICS (NCRDM-22)"

December 26-27, 2022

Organized by

Department of Mathematics
Kurukshetra University, Kurukshetra, Haryana, INDIA

The National Conference on Recent Developments in Mathematics was organized by the Department of Mathematics, Kurukshetra University, Kurukshetra on December 26-27, 2022. This conference was organized as a part of celebrations of National Mathematics Day 2022. The celebrations of National Mathematics Day 2022 was supported by the Haryana State Council for Science, Innovation and Technology, Panchkula and by the Kurukshetra University, Kurukshetra. The Department of Mathematics expresses its sincere thanks to the support from Haryana State Council for Science, Innovation and Technology and Kurukshetra University and felt indebted to the encouraging response of the participants and feels motivated to organize such events on a large scale in future also.

The inaugural session of the National Conference started on December 26, 2022 by lighting the lamp. Prof. S.K. Tomar, Hon'ble Vice-Chancellor, J.C. Bose University of Science and Technology, YMCA was the Chief Guest of this conference. He delivered an informative talk on the topic "Write Mathematics Right". He said that the essence of Mathematics is not to make simple things complicated, but to make complicated things simple. The presidential address was delivered by Prof. Som Nath Sachdeva, Hon'ble Vice-Chancellor, Kurukshetra University, Kurukshetra and Patron of the Conference. The Convenor of the conference, Prof. A.K. Vashisth welcomed all the dignitaries, all the participants, officials and guests. The organizing secretary, Prof. Vinod Kumar presented the vote of thanks.

In this conference, 79 participants have registered for physical participation and 101 in total. Participants from the states of Haryana, Punjab, Rajasthan, Delhi, Uttar Pradesh, Uttarakhand, Maharashtra, Jharkhand, Himachal Pradesh, Madhya Pradesh, Jammu & Kashmir and Gujarat participated in the conference.

Eight invited speakers, viz. Prof. M.C. Joshi (Kumaon University, Nainital); Prof. Jaimala (Chaudhary Charan Singh University, Meerut) ; Prof. Kapil Sharma (South Asian University, Delhi); Prof. (Emeritus) D.S. Hooda (Guru Jambheshwar University of Science & Technology, Hisar); Prof. Aseem Miglani (Chaudhary Devi Lal University, Sirsa); Prof.

Rashmi Bhardwaj (GGSIPU, Delhi); Prof. Mandeep Singh (Sant Longowal Institute of Engineering & Technology (SLIET), Longowal, Punjab) and Prof. Manju Pruthi (Indira Gandhi University, Meerpur, Rewari) delivered their talks during the conference.

Prof. Ase
India

Prof. M.C. Joshi gave an invited talk on the topic "Optimization: Insight". He said that from the beginning of civilization, man has continuously been involved with the process of optimization. Due to advancements in digital computers and applications, optimization techniques are used rapidly. He explained the secretary problem, Newton's problem of the body of minimal resistance, Brachistochrone problem and the principle of least action. He gave a brief description of physical, geometrical, analytical and approximation approaches to the derivative.

Prof. Jaimala delivered an invited talk on the topic "Stability theory: An evaluation of the evolution of disturbances superposed to a basic flow". She specified that hydrodynamics and hydromagnetic stability were a field of investigation of Subrahmanyan Chandrasekhar. She explained the Rayleigh- Taylor instability, Kelvin- Helmholtz instability and Rayleigh- Benard Convection. She focused on the recent trends in hydrodynamics and hydromagnetic stability.

Prof. Kapil Sharma delivered an invited talk on the topic "Singularly perturbed problems: challenges & remedies". He discussed the issues in the implementation of existing methods to find the solution of SPPs. The importance of studying Spps was a key point of this talk. He explained the fitted mesh approach and fitted operator approach. He discussed the perturbed and unperturbed models. A brief description of OSCM (orthogonal spline collocation method) was explained.

Prof. D.S. Hooda delivered an invited talk on the topic "Fuzzy soft set theory and its applications". He said that to find the solution of various real-life problems containing uncertainty and vagueness, the fuzzy soft set is gaining significance. The concept of fuzzy soft set is defined as hybridization of fuzzy set and soft set. A new technique is proposed to convert the soft set into a fuzzy soft set. It is applied in dimension reduction of big data. The application of fuzzy soft set in medical diagnosis following Sanchez's approach was also explained in this talk.

Prof. Rashmi Bhardwaj gave an invited talk on the topic "Pathways to nonlinear dynamical systems". She explained the classification of dynamical systems. The classification of dynamical systems using trace and determinant of the Jacobian matrix was also explained. The Fractal Geometry, Fractal Antenna and use of Fractal in telecommunication systems are notable points of talk. The stability of nonlinear systems, using the first Liapunov method, was discussed.

Prof. Aseem Miglani presented an invited talk on the topic "Evolution of Mathematics in India". He said that mathematical activity in ancient India began as a part of a "methodological reflection" on the sacred Vedas, which took the form of works called "Ancillaries of the Veda". There are six Vedangas, namely phonetics, chandas, grammer, nirukta, kalpa and jyotisa (astronomy). Mathematics arose as a part of the last two disciplines, kalpa and jyotisa.

Prof. Mandeep Singh delivered an invited talk on the topic "Means of positive numbers and their extensions". He discussed the various means of two numbers i.e. arithmetic, geometric, harmonic, logarithm, identric, heron, Heinz. He compared these means with the help of convex functions and H-H inequality.

Prof. Manju Pruthi gave an invited talk on the topic "Construction of codes using algebraic techniques". In her talk, she said that coding theory helped to solve problems of vital importance in the world outside mathematics. It has enriched other branches of mathematics with new problems as well as new solutions. In the past few years, the goal of finding explicit codes which reach the limit predicted by Shannon's original work has been achieved.

72 research papers were presented in 7 technical sessions during 2 days of the conference.

Technical session 1.1 was conducted on 26 December 2022 in room no. 205, Department of Mathematics, Kurukshetra University, Kurukshetra. This session was chaired by Prof. Paras Ram. He has a specialization in fluid dynamics. A total of 8 presenters were enrolled in this session, out of which seven researchers presented their papers. Prof. Vinod Kumar presented a memento to the chair session and thanked him for giving his valuable time.

Technical session 1.2 was conducted on 26 December 2022 in room no. 207, Department of Mathematics, Kurukshetra University, Kurukshetra. This session was chaired by Prof. Jaimala, a prominent professor at Chaudhary Charan Singh University, Meerut. She has a specialization in fluid dynamics and stability of flows. A total of ten researchers were enrolled in this session, out of which eight have presented their research papers. At the end of the session, Prof. Jaimala concluded the session and appreciated the presentations of all the researchers. Moreover, she gave valuable suggestions on how a person can complete the presentation by explaining the core part of the presentation within time. Also, Prof. Vinod Kumar presented a memento to the chair session and thanked her for giving her valuable time.

Technical session 2.1 was conducted in Faculty Lounge on 26 December 2022. This session was chaired by Dr M.D. Sharma, a prominent retired professor of Kurukshetra University, Kurukshetra. His area of specialization is mechanics of solids. A total of fifteen researchers

were enrolled in this session, out of which ten have presented their research papers. The session was full with 45 listeners. Prof. A.K. Vashisth honoured the session chair and thanked him for sparing his valuable time.

Technical session 2.2 was conducted in room no. 205, Department of Mathematics on 26 December 2022. This session was chaired by Prof. A.S.V. Ravikanth. His area of specialization is numerical methods. A total of fourteen researchers were enrolled in this session, out of which eight have presented their research papers. Prof. Vinod Kumar honoured the session chair and thanked him for sparing his valuable time.

Technical session 2.3 was conducted on 26 December 2022 in room 207, Department of Mathematics, Kurukshetra University, Kurukshetra. This session was chaired by Prof. Vinod Kumar, a prominent professor at Kurukshetra University, Kurukshetra. He has a specialization in Analysis. A total of sixteen researchers were enrolled in this session, out of which fifteen have presented their research papers. At the end of the session, Prof. Vinod Kumar drew a conclusion that all the presentations were very good and informative and also he gave valuable suggestions to make the presentations more captivating. Mr. Dalbir Singh (Associate professor, department of mathematics, KUK) presented a memento to the chairperson of the session and thanked him for giving his valuable time.

Technical session 3.1 was conducted on 27 December 2022 in the Faculty Lounge. This session was chaired by Prof. V.P. Kaushik, a prominent retired professor of Kurukshetra University, Kurukshetra. His area of specialization is mechanics of solids. A total of eleven researchers were enrolled in this session, out of which ten have presented their research papers. House was full with nearly 50 listeners. Prof. A.K. Vashisth honoured the session chair and thanked him for sparing his valuable time.

Technical session 3.2 was conducted on 27th December in room no. 205, Department of Mathematics, Kurukshetra University, Kurukshetra. This session was chaired by Dr Ram Karan, a prominent retired professor of Kurukshetra University, Kurukshetra. He has a specialization in Algebra. A total of ten researchers presented their research papers in this session. At the end of the session, Dr Ram Karan stated that all of the presentations were good and informative.

The valedictory session of the conference was held on December 27, 2022 in the Faculty Lounge. Dr Mohammad Najmud Doja, Director, IIIT, Sonapat was the Chief Guest and Dr Sanjeev Sharma, Registrar, Kurukshetra University was the Guest of Honour of the valedictory session. Prof. D.S. Hooda, Ex. Pro Vice-Chancellor, Kurukshetra University, Kurukshetra was the Guest of Eminence and he shared his valuable and wide experience with young researchers and motivated them. Prof. Anil Kumar Vashisth welcomed esteemed

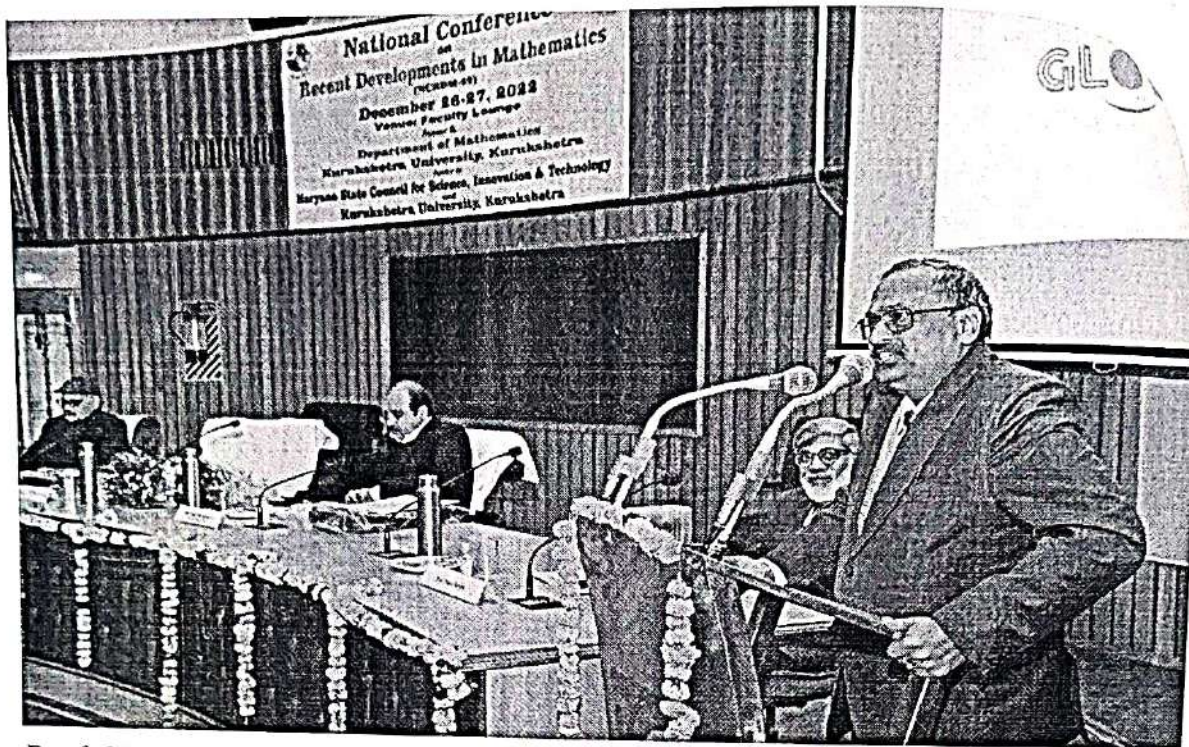

dignitaries and
Registrar, Kurukshetra
the need of
Director

ers. Ho
oked him to

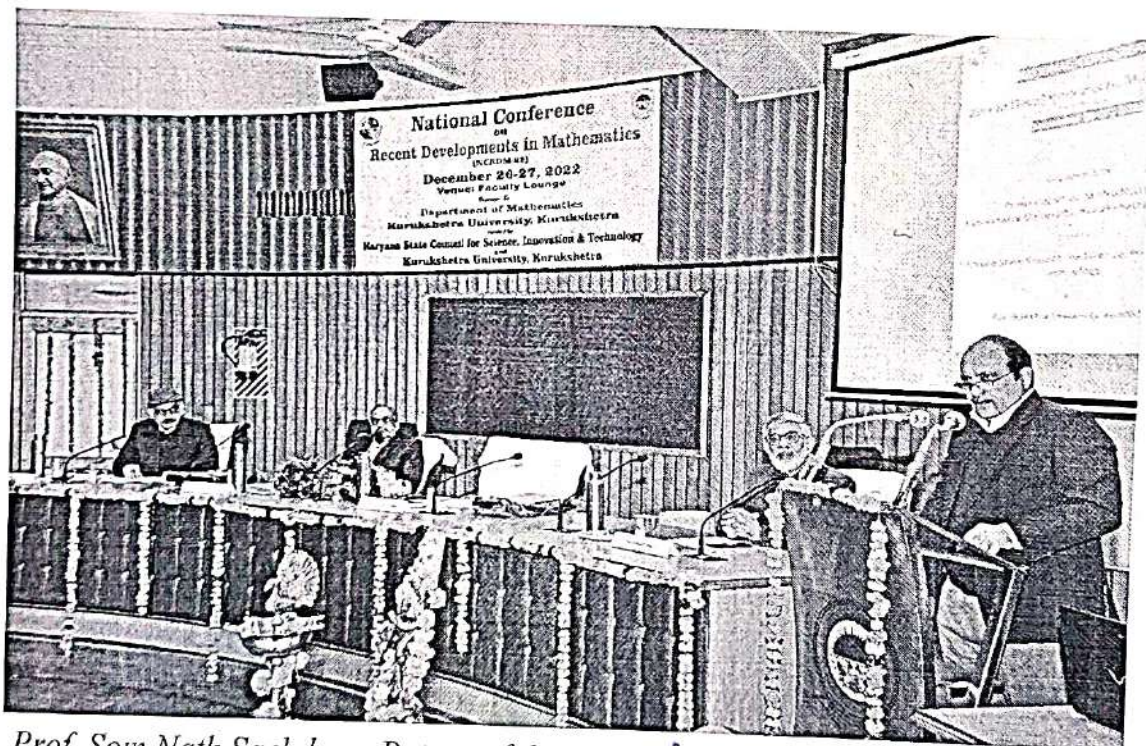

dignitaries and presented the report of the conference as its convener. Dr Sanjeev Sharma, Registrar, Kurukshetra University, Kurukshetra also addressed the audience. He spoke about the need of research in Vedic mathematics. Chief Guest, Dr Mohammad Najmud Doja, Director, IIT Sonapat, delivered his special address and he spoke on the importance of Mathematics in engineering and technology. At the end of the event, Prof. Vinod Kumar, organizing secretary of the conference expressed his gratitude to all for their valuable and kind cooperation in organizing the event. The session ended with the National Anthem.

Report

Popular Science Slide Show / PPT Show Competition as a part of celebrations of National Mathematics Day-2022

organized by

Department of Mathematics, Kurukshetra University, Kurukshetra

And supported by

Haryana State Council for Science, Innovation and Technology

To commemorate 135th Birth Anniversary of great mathematician SRINIVASA RAMANUJAN on National Mathematics Day-2022, Department of Mathematics, Kurukshetra University, Kurukshetra organized a competition **Popular Science Slide Show / PPT Show** to highlight the contributions made by Indian Mathematicians with support of Haryana State Council for Science, Innovation and Technology and Kurukshetra University Kurukshetra for the students of M.Sc.(Mathematics) of affiliated colleges and students of the Department of Mathematics, K.U.K.

Topics for this PPT competition were declared as follows:

1. Mathematics is the mother of all sciences.
2. Contribution of Indian Mathematicians in contemporary mathematics.

This competition was organized in three phases. First round of competition was organized by the affiliated colleges/Institutes at their own level and each college recommended the names of the first two winners to the department of mathematics Kurukshetra University, Kurukshetra up to December 20th, 2022.

The second phase was organized by the Department of Mathematics, Kurukshetra University, Kurukshetra on the National Mathematics Day 22 December 2022 in online mode in which 35 participants gave their presentations and 8 participants were shortlisted for third and final phase by the esteemed jury members. Following were the Members of the Jury panel:

1. Dr. Amit Prakash, Department of Mathematics, National Institute of Technology, Kurukshetra
2. Dr. Ram Jiwari, Department of Mathematics, Indian Institute of Technology, Roorkee
3. Dr. Poonam Kumari, Department of Mathematics, Institute of Integrated & Honors Studies, Kurukshetra University, Kurukshetra

Following students participated in the Second Round:

**National Mathematics Day, 2022 Department of Mathematics, Kurukshetra University,
Popular Science Slide Show / PPT Show (22.12.2022)
List of Second Round Participants**

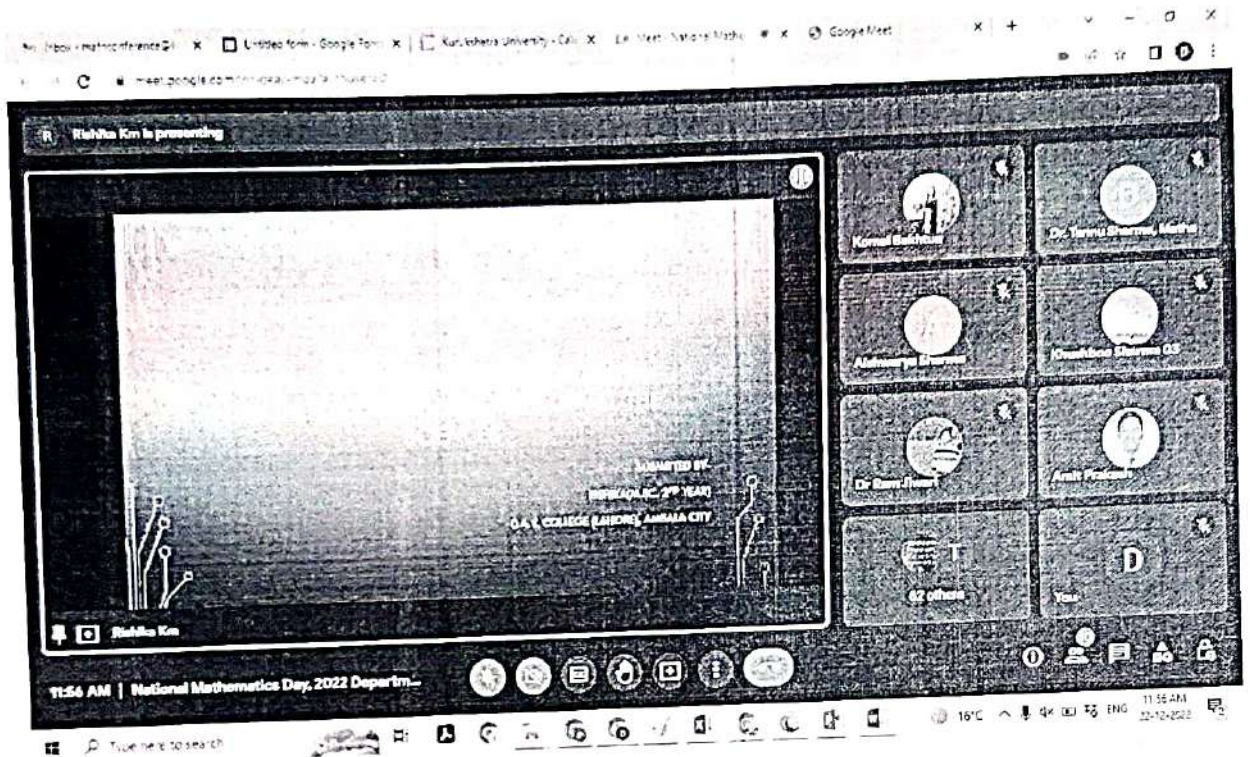

S.No.	Name Of college	Name of Students	Attendance
1 - 2	D.A.V. College for Girls, Yamuna Nagar	Gurleen Kaur	Present
		Suhani	Present
3 - 4	Guru Nanak Girls College, Yamuna Nagar	Anusha	Present
		Himani	Present
5 - 6	Guru Nanak Khalsa College, Yamuna Nagar	Nivea	Present
		SakshiRana	Present
7 - 8	SD College, AmbalaCantt	BipashaNagpal	Present
		Anu	Present
9 - 10	D.A.V. College (Lahore), Ambala city	Khushboo	Present
		Rishika	Present
11 - 12	GMN College, AmbalaCantt	Anupama	Present
		Minisha	Present
13 - 14	R.K.S.D (P.G) College,Kaithal	Aishwarya	Present
		Geetika	Present
15 - 16	Indira Gandhi (P.G) MahilaMahavidyalay,Kaithal	Pooja	Present
		Khushboo	Present
17 - 18	Arya KanyaMahavidyalya, Shahabad Markanda	ParveenKurnari	Present
		Prachi	Present
19 - 20	KVA DAV College for Women, Railway Road, Karnal	Jaganpreet Kaur	Present
		Muskan	Present
21 - 22	Guru Nanak Khalsa College, Railway Road , Karnal	Pratibha Devi	Present
		Shubham	Present
23 - 24	DAV College, Karnal	Aastha	Present
		JiyaSukhija	Present
25	Arya College,Panipat	Deepika	Present
26	IB(PG) College,Panipat	NeetikaBhola	Present
27 - 28	SD (PG) College,Panipat	Simran	Present
		Muskan	Present

29 - 35	Department of Mathematics , Kurukshetra University, Kurukshetra	Hotrik	Present
		Isha	Present
		Sonali	Present
		Piyusha	Present
		Mohit	Present
		Parag	Present
		Anuradha	Present

E-certificates have been issued to all above mentioned participants.

Following candidates, one from each district, were short listed for the final round of the competition:

S.No.	Name of the District	District Topper/Department of Mathematics Topper	Name of District & College
1	Yamuna Nagar	Gurleen Kaur	Yamuna Nagar D.A.V. College for Girls
2	Ambala	Bipasha Nagpal	Ambala SD College (Ambala Cantt)
3	Kaithal	Khushboo	Kaithal Indira Gandhi (P.G) Mahila Mahavidyalay
4	Kurukshetra	Prachi	Kurukshetra Arya Kanya Mahavidyalaya
5	Karnal	Jaganpreet Kaur	Karnal KVA DAV College for Women
6	Panipat	Deepika	Panipat Arya PG College
7-8	---	Hotrik	Kurukshetra Department of Mathematics, Kurukshetra University, Kurukshetra
		Anuradha	

Third and final round of competition was held on 27-12-2022 in the Department of Mathematics, in which 8 shortlisted participants presented their presentations in front of esteemed jury members. Following were the Members of the Jury panel:

1. Prof. Aseem Miglani, Department of Mathematics, Choudhary Devi Lal University, Sirsa
2. Dr. ASV Ravikanth, Department of Mathematics, National Institute of Technology, Kurukshetra
3. Prof. Mandeep Singh, Department of Mathematics, Sant Longowal Institute of Engineering & Technology, Longowal

University,
List of participants of final round of Popular Science Slide Show / PPT Show
(27.12.2022)

Time Slot Distribution-11:10-12:40 A.M.

S.No.	Name of the District	District Topper/Department of Mathematics Topper	Name of College
1	Yamuna Nagar	Gurleen Kaur	D.A.V. College for Girls
2	Ambala	Bipasha Nagpal	SD college (Ambala Cantt)
3	Kaithal	Khushboo	Indira Gandhi (P.G) Mahila Mahavidyalay
4	Kurukshetra	Prachi	Arya Kanya Mahavidyalaya
5	Karnal	Jaganpreet Kaur	KVA DAV College for Women
6	Panipat	Deepika	Arya PG College
7-8	---	Hotrik	Department of Mathematics, Kurukshetra University, Kurukshetra
		Anuradha	

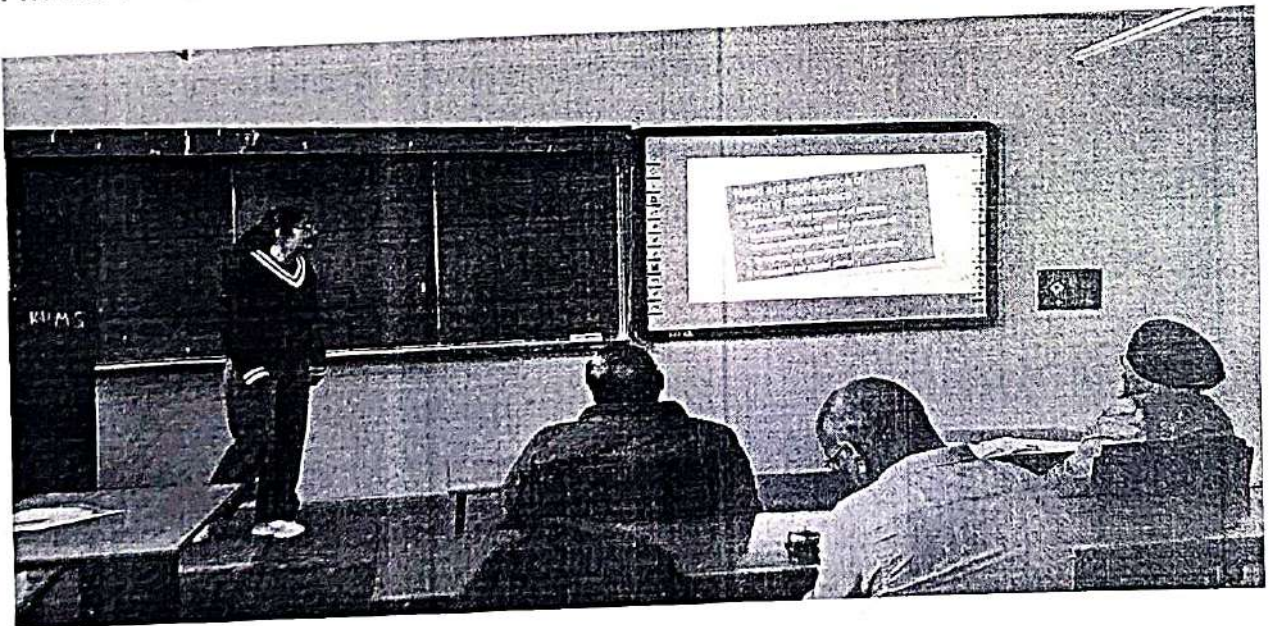

These participants gave their presentation before the jury members and other members of the conference. Jury members gave their individual score on separate sheets according to performance of individual participant and Mr. Dalbir Singh, Co-organizing Secretary compiled the awards. After compilation of the awards Mr. Dalbir Singh declared the result.

Optimal Control for Position/Force Control of Nonholonomic Mobile Manipulators

In 2016, M. Almahalebi et al. introduced the bi-cubic functional equation and investigated the stability in 2-Banach spaces. In 2021, J. M. Rassias et al. define "a new mixed Euler-Lagrange σ cubic-quartic functional equation" (MEL- σ -CQFE) and discussed the stability results of this equation in "Felbin's type of fuzzy normed" vector spaces. We extend the study of these functional equations in orthogonality form and find the stability using the fixed point approach. Using these stability results, we investigate the Hyers-Ulam-Rassias and JM Rassias mixed product-sum stability results in Banach spaces. This approach leads us to approximate functional equations with better estimation.

Orthogonal stability of bi-cubic and mixed Euler Lagrange-cubic quartic (MEL-CQ) functional equations

Prof. Preety Jain
Director, UGC-HRDC,
K.U. Kurukshetra

Dr. Sunil Kumar
Dy. Director, UGC-HRDC
K.U. Kurukshetra

Dated 27-02-2023

On 27-02-2023, in the afternoon session (3.30 pm to 5.00 pm) of the first day of a one week short-term course (online mode) on community engagement (all disciplines), Dr. Vanita Dhingra, Professor and Chairperson of the Department of social work K.U.K. was the Resource Person of this session. She delivered a very knowledgeable lecture on the topic '**Need and importance of community participation**'. She explained considerable issues regarding community analysis and importance of community participation and define different aspects of community participation in detail, explaining its need, importance, steps, stages and degrees of community participation as well and also about how we can build community participation through community mobilization. The Lecture was really very informative and inspiring.

Dr Vandana Sharma
Assistant Professor of Hindi,
IHHS, Kurukshetra University, Kurukshetra

Today i.e. on 28-02-2023, in the first session, Prof. Neera Verma was the resource person. She was welcomed by Dr. Sunil Kumar, Dy. Director, HRDC, KUK. She delivered her talk on the theme of Community Engagement and Economic Development. In her deliberation, the learned resource person held that the intentional linkage between institutions and the community reflects one of the core dimensions of community engagement. It is different from charity or donation. Rather it is a process that fosters vital relations between the

community and economic development that should lead to drive social transformation. But it necessarily needs visioning, and value generation. The session was very interactive and knowledgeable. Most of the participants actively engaged in the session. The Id. speaker very efficiently satisfied the query raised by the participants.

Report of Morning Session on 28th Feb, 2023

Greetings of the day!

Here is report of 2nd Day (28th February, 2023) morning session of "One week Short Term Course in Community Engagement" from 27th February to 4th March, 2023. The key note speaker of this session was Prof. Heena K. Bijli from School Of Continuing Education at Indira Gandhi National Open University (IGNOU), New Delhi. She shared her views on topic "Social and behavioural change communication to address reproductive health needs of adolescent girls".

During her presentation she mainly focused on two main sustainable developmental goals viz. women health quality and women empowerment. The major problems faced in India are anaemia, malnutrition, higher maternal mortality rate (MMR) and infant mortality rate (IMR). Adolescent girls face lots of restrictions after menarche which shows various social norms, gender biasness, mobility issues, lack of educational opportunities and unable to make decisions for their own socio-economic development.

She emphasized on two major programmes viz. Adolescent Reproductive and sexual Health Strategy (ARSH) and Reproductive Kishore Swasth Karyakram (RKSK). These programmes mainly focus on reproductive health of women, maternal health as well as health of infants, children and adolescents. According to WHO the major problems were lack of accurate information, absence of proper guidance, parent's ignorance, lack of skills and sufficient services. So we should have a multidisciplinary approach giving more emphasis on health problems & behavioural change communication (BCC).

She also talked about ten principles of BCC and importance of mobile health interventions which have proved beneficial. She concluded her lecture with recommendations to implement and monitor research in this field which should be based on participatory approach, evaluate and analyse the feedback. Need of the hour is to bring social and behavioural changes, the aim of which is to empower individual and communities to lower the structural barriers to become equitable, cohesive and peaceful society.

Dr. Rajni Goyal
Assistant Professor, Home Science
IIHS, KUK

SHORT TERM COURSE ON COMMUNITY ENGAGEMENT

Session Report: Stress Management Lecture by Prof. Hardeep Lal Joshi

Date: 1st March 2023

Prof. Hardeep Lal Joshi began the lecture by defining stress as the body's response to any change or challenge. He emphasized that stress is a normal part of life and that it could be either positive or negative. He explained that positive stress, also known as eustress, can motivate individuals to achieve their goals, while negative stress, also known as distress, can lead to physical and emotional health problems.

The speaker then went on to highlight the causes of stress, which he classified into four categories: environmental stressors, daily stressors, social stressors, and life events. He explained that environmental stressors such as noise, pollution, and traffic can lead to stress, while daily stressors such as workload, deadlines, and financial problems can also contribute to stress. Social stressors such as conflict with friends or family, and life events such as marriage, divorce, or the death of a loved one can also cause stress.

Prof. Joshi then delved into the physiological and psychological effects of stress. He explained that stress can lead to a range of physical health problems, including hypertension, heart disease, and diabetes. He also highlighted that stress can impact an individual's mental health, leading to anxiety, depression, and other mental health disorders.

The speaker then proceeded to discuss various stress management techniques that can be used to manage stress. He emphasized that these techniques should be tailored to suit the individual's needs and preferences. The stress management techniques he discussed included exercise, relaxation techniques, cognitive-behavioral therapy, and mindfulness-based stress reduction. He also highlighted the importance of social support and how it can help individuals manage stress.

Prof. Joshi concluded the lecture by emphasizing the need for individuals to identify their stressors and take proactive steps to manage them. He encouraged the audience to seek professional help if they experience persistent stress, and to prioritize self-care and stress management as part of their daily routine.

Reflection:

The lecture by Prof. Hardeep Lal Joshi on stress management was informative and engaging. I particularly appreciated how he highlighted the different causes of stress and their impact on an individual's physical and mental health. The stress management techniques he discussed were also practical and easy to implement, and I will be sure to incorporate some of them into my daily routine.

It was found the speaker's emphasis on the need for social support and self-care to be particularly relevant. Often, individuals may feel that they need to manage stress on their own, which can lead to feelings of isolation and further exacerbate the problem. By emphasizing the importance of seeking social support and prioritizing self-care, the speaker highlighted the role that others can play in helping individuals manage stress.

Overall, the lecture by Prof. Joshi was a valuable learning experience, and It will be useful for individuals who are looking to manage stress more effectively.

Session Report by Dr. Sanjay Tyagi

1/3/2023 (Session IV)

In the final session of day three of the Short Term Course in Community Engagement, the resource person was Dr. ShabnamMahlawat, Professor, Faculty of Law, University of Delhi. The topic of the lecture was about Community engagement with reference to the International Environment Laws, which was concerned with the attempts to control climate change, ozone depletion, toxic and hazardous substances and biological biodiversity by the International community.

It was a very informative talk and apprised the audience about the developments to control pollution and the depletion of natural resources within a framework of sustainable development under International Laws.

**Online One Week Short Term Course in
Women Leadership (All disciplines)
October 17 – 22, 2022
Report**

Inaugural Session

Welcoming the guests Prof. Anita Dua, Director, Women's Studies Research Centre said that major challenges our society is facing include poverty, inequality and climate change. United Nation has recognized the global nature of these challenges and set Sustainable Development Agenda. Members including India adopted the agenda to meet by 2030. The agenda encompasses three core elements: Economic Growth, Social Inclusion and environmental Protection.

She mentioned that women's equal representation in leadership matters not only for achieving gender equality but also for making sound decisions in workplace, politics and every area of public life. Equal leadership ensures the diverse perspectives and voices. This diversity ensures sustainability. Globally women's representation in the politics and economic leadership is far from equal. Women represent under 10 percent parliamentary seats in 23 countries and same is situation in economies. India is not an exception. She highlighted that control over economic resources is a crucial drive of women's empowerment, providing increased security and independence and improving standards of living. This workshop is an effort to revisit the objectives of women equality, discuss the challenges and find out some areas where our perspective and little efforts can make a change.

Prof. Manjula Chaudhary, Dean, Academic Affairs, K.U. Kurukshetra in her inaugural address said that the number of women in academic and administrative leadership is very less. There exists a glass ceiling due to which it is not easy for women to make it to the leadership positions. In our own university if we look at the enrollment, more than 50 percent of the students are female, but they are not visible at any position of leadership. There are several factors, which become the barriers, these are: unsupportive ecosystem, hesitancy to come in front, lack of awareness on the part of women and many more. To bring women into leadership there is a need to develop competencies, awareness should be made to take up leadership positions and efforts should be made at the institutional level to support them. She further said that now corporates are making efforts to increase women's representation like allowing flexible working hours, online working hours etc. At the institutional level trainings and workshops should be organized to increase leadership. Micro level approach should be adopted to increase awareness about women leadership. Beside this social set up should also be supportive for women. She says that cyber world is stereotyped, which needs to be altered. One of the most important suggestions she cited

was to identify women role models and arranging interactions with the students in order to motivate them.

Keynote Speaker Prof. Jyoti Rana Dean, Faculty of Management and Research, ShriVishwakarma Skill University, Gurugram said that women are powerful agents of change but they are underrepresented at decision making and leadership. Even today India's top leading industries do not believe in competencies of women as leaders. It is not only the organization, women themselves are not aware of their abilities and competencies. They hesitate in asking questions, which can help them perform better. She highlighted two aspects which can increase the number of women decision makers. These were negotiation skill and work life integration. She said that negotiation skill helps in taking up positions, roles and duties and work life integration helps to create balance between work and personal or family life. She discussed steps for effective negotiation and work life integration like to be flexible, adaptive, extending support, small planning, networking, success and likability etc. She said that women leadership is not a matter of men or women as they work in different way, we should take advantage of both and work towards the wellbeing of the organization.

In the first technical session Prof. Manvinder Kaur from Department of Women's Studies cum Development Centre, Panjab University, Chandigarh talked about Women's Studies Perspective. She first of all discussed the misconceptions people have about Women's Studies that it is a study of women, by women and for women. This subject is not only about women but for the betterment of society. Because if we exclude women from development, GDP will decrease and sustainable development could not be achieved. She made clear the origin of Women's Studies in the west, the aims and objectives of Women's Studies. Talking about some popular phrases like women are weaker sex, she is emotional, they should be mothers she said that they snatch various opportunities from women on false grounds. She discussed various socio-economic factors that determine the status of women in the society like property rights, owner rights, decision making etc. She also discussed the importance of Women's Studies and relevance of Women's Studies in the university system.

The afternoon session of the Short Term Course on Women Leadership continued with the same vigor interest and pace. Dr Manvinder Kaur from Punjab University Chandigarh continued her talk on "Women Studies and its Objectives". She discussed some of the possible reasons for the resistance to change like the fear of unknown, lack of information or misinformation, threats to core skills, competence, status etc, fear of failure, strong peer group norms etc. Dr Manvinder also threw a light on the origin of women studies in the world as well as its emergence in India.

Besides this she also highlighted why woman should be in leadership positions and why men can't address the various women issues.

The next session was presided over by DrManjuPanwar, Director Women Study Centre, BP's Women University. DrPanwar discussed the various challenges and opportunities of women studies through a very interactive session. She discussed the meaning of women leadership which is more of a democratic and participative style of leadership as compared to men leadership that is task oriented. The various areas where women in rural and semi urban areas are involved with an importance of financial independence among women were some of the important aspects discussed in the session.

**Report of 18 September 2022 Morning Session
(10:00AM-11:30AM & 11:30 AM- 1:00 PM)
Topic: Academic Leadership by Prof. NishaRana
By Dr. KaushalChauhan, Librarian, MDSD Gils College, Ambala City**

Before starting the lecture, Professor NishaRana congratulate the coordinator Dr. Anita Duaalongwith Women's Studies Research Centre and UGC-Human Resource Development Centre for organizing such a wonderful short term course on such a burning topic women leadership and inviting her to spoke on the topic. Professor NishaRana spokes her words of wisdom on Academic Leadership including various different roles played by the women. She discuss on various qualities to leadership. She told that leaders are who can actually do something for others not enjoying the optional powers. She discuss about leaders are born or made. She told that Leader is a key to success factor with the efficiency and effectiveness. She said that leaders can be made through the process of self development and systematic training.

Professor NishaRana focuses on various challenges in higher education in current scenario such as Knowledge explosion, requiring constant changes in curriculum and courses, pedagogy changing with Information Technology, Globalization, Rapid changes in society, Heterogeneous student population etc. She said that as a leader how you are going to handle the situation is a challenge. Professor NishaRana said that an academic leader need to develop a clear future orientation to look for ahead, a new and different knowledge and skills to meet the challenges of constantly changing environment and developing good relationship within in. An academic leader should understand people, working climate and good communication, skill of planning, HRM, Resource Mobilization, Utilization, Finance & Management, Monitoring & Control.

Prof. Rana also suggests many qualities that a leader should have in their personalities such as that a leader should be a transformational leader. Leader should know the difference between

effective leadership and good management. She also focuses on exceptional leadership, Humility, Gender imbalance, learning from Predecessors etc. She told the one should have own issues & stories and should give credits to those who did the hard work rather than taking credit to someone else work. She also talks on how to develop these skills such as trial & error, Reading & observation, Professional development programs & training. She also discusses the checklists of qualities and Skills needed by the Academic leader. Professor NishaRana also focuses on participation of women in higher education, The presence of critical mass of women in the decision making process in higher education. She talks on why we need women as leader. She told that we want women as leader to equal representation, Utilize their unique perceptions & leaders, to participate in decision making, women are equally gifted and talented etc.

Prof Rana also focuses on barriers such as social barriers: perception differs for women as compare to men. She discusses on various leadership skills and concern for women issues. She said that women leader should bring positive change for other women. She explains degree of leadership matrix. She also talks on principal barriers preventing women's participation in decision making. She said that we should adopt these for 'C' to get positive changes that are Consciousness, Concern, Commitment, Competence. She also elaborates on agenda for women in academic leadership, Prescriptions to become a better leader, Commitments of leadership including Encoding the heart including recognize individual contributions to success to every project and celebrate team accomplishments regularly. At last she discuss on how to empower oneself suggesting develop skills needed to take responsibility, take responsibility, share responsibility, Develop effective networks of information, maintain a healthy balance between work and personal life

REPORT OF THE EVENING SESSION OCTOBER 18, 2022

The evening session was taken over by the Resource person Prof Preeti Jain Prof of Law Kurukshetra University Kurukshetra. She is also associated with Women Study Center and also associated with Rajiv Gandhi Institute situated at Nilokheri, Karnal. Prof Preeti Jain has published many Research Papers in Reputed Indian and International Research Journals.

Prof Preeti Jain has started her presentation by Providing example of Japan as a country with Rising sun. In Japan, once there was an order passed by the Govt Particularly for women to wear high heels to enhance their physical length, The administration also advised Women to pull off their Spectacles as eye glasses hinder their Beauty. then a social activist Uri Shikawa stood against this practice and then the Japan Administration stopped this practice.

Prof Preeti Jain also raised the question that some women stopped acting their role once they reach their highest position. Prof Preeti Jain quoted the example of the Prominent Leader of England and IndraNooyi from the Indian context.

In America Walmart there is disparity in Male and Females.

Prof Preeti Jain quoted Sweden Country in which Females are paid less in many Developed and Developing countries there is no Right of Abortion for Women Prof Preeti Jain raised the question that How Leadership will emerge in these bad situations? Prof Preeti Jain quoted the comment of US Ex President Barack Obama who quoted that "Women do work better than men"

Prof Preeti Jain asserted as per the demand of each male person, everyone needs Thin, Fair, Figure and Educated Good Looking Women to Marry. Society has to say that Bad looking or Dark Complexion ladies must strive for Career or more education degrees. Prof Preeti Jain also quoted the example of Advertisements in which most Beautiful ladies are enrolled and she quoted the Advertisement of Fair and Lovely which are now changed to Glow and Lovely. In India we find Discriminations between Dark and Fair complexion females.

Prof Preeti Jain asserted when we (Females) develop a feeling that I am 100% ok then only Leadership can grow otherwise there will be hurdles.

(B) Medical Facility

There are no facilities up to the mark particularly for Medical, Jobs, Salary, Leave and there is no Recognition for Housewives.

IndraNooyi left her Prominent Post because of Over Burden. In advertisements like Saffola there is a comment that this cooking oil will keep the Heart of Men in excellent condition.

(C) Women Right To Privacy

The credit goes to NehaRastogi for the voice raised by MsNehaRastogi who when on board a Flight urged the Air hostess to provide some place of privacy as she wants to feed her kid. Then Airhostess suggested she go to the wash room and Breast feed her kid. Then NehaRastogi told the Air Hostess that "How one can have food in a Toilet" When the flight reached the airport then MsNehaRastogi put the PIL in court and the Court made a judgment for the women's Right of privacy. This same case was also raised by Kolkata women society.

(D) Adoption Issues faced by Women

As per Govt Policy every working women is provided with six month of Maternity Leave. Now the Ladies who have adopted a child who is less than 3 Months of age has demanded for Maternity Leave for Three Months and this matter is still pending in Court.

(E) Superstition towards Women

Prof Preeti Jain also asserted that Women are Particularly labeled as "Daayan" she also asserted that MsBeeruBala was given punishment only because she has inherited huge Property rights after the death of her Husband. This reward was not digested by the fellow members of the society and society labeled her as Daayan. So that she could be ripped off on her Property rights. She was beaten mercilessly by the fellow villagers.

But she faced everything and in last she won and even got a Padma shri award from the Government of India.

(F) Safety and Security

Prof Preeti Jain also asserted that Women are having Sexual Harassment at workplace, in some cases some surrender. But now an act has been made as 2018 Act against Sexual Harassment.

(G) Devdasi

In the Southern region of India there is practice of Devdasi in which Girls in their Adolescence are being offered to Temples. At Temples these girls often get less food and they also become victims of Malnutrition.

(H) Female Feticide

Prof Preeti Jain also discussed the malpractice of Female Feticide prevalent in the past. But this practice is still going on illegally across India.

Prof Preeti Jain discussed the incident in which one person has uploaded a video clip of an anonymous person on a social network site without the consent of the person involved.

(I) Rights

Prof Preeti Jain also discussed Human Rights, Equal Rights for Women. She particularly mentioned MsBabitaPoonia who raised the issue of Permanent Commission in Indian Armed Forces

(J) Rights of Transgender

Prof Preeti Jain also MentionedDhananjay a Transgender for her fight for Third Gender.

(K) Higher Role of Females on International Platform

Prof Preeti Jain also mentioned The Female IFS Officer on International Platform of Developed and Developing Nations.

(L) Female Problems Based Films

The Resource person also discussed some films based on the conditions and Emotional turmoil of Females. She spoke about Film Thappad, Chhpaak and Pink in Particular. Prof Preeti Jain also discussed the case of LaxmAgarwal, an acid attack victim.

(M) Some Indian Texts on Public Places

Prof Preeti Jain discussed that particularly in MANREGA the main workers are females even though the boards placed are having written "Man at Work"

"Gupta and Sons" but Prof Jain also told that one person from Ludhiana has initiative to write "Gupta and Daughters"

Madam also discussed the thought of Late Cyrus Mistry who thought of providing special provisions for pregnant ladies sitting in Passenger Cars.

In conclusion Prof Preeti Jain discussed that this is not merely the duty of Courts to fully deal with the Problems of females. She suggested that persons from every sphere of life must take initiative for the protection and betterment of Females.

Conclusion

Overall as per my viewpoint the Resource person has done justice with her lecture.

Dr Ajay Gauri
Assistant Professor of Psychology
Government PG College Ambalacantt

Report of 19.10.2022 (Morning Session)

Presented by Dr. Anuradha, Assistant Professor, Commerce, Govt. P. G. College, AmbalaCantt. In the morning session, Dr. AmeerSulatana, Former Chairperson, Department cum Centre for Women's Studies and Development, Panjab University, Chandigarh delivered her talk on the topic "Gender Equality and SDGs". She was of the view that absence of any kind of discrimination is termed as gender equality. She focused on the area of Substantial Equality, Gender Gap, Gender Justice, Gender Diversity and challenges faced by women in economic participation. She highlighted that basic pillars of sustainable development like economic environment, social and governance have equal and interrelated importance. The session was very informative, thought provoking and interactive.

The resource person for Second Technical Session was Dr. AmitDua, Assistant Professor, Dept. of Computer Science, BITSPilani. Dr. Dua began his presentation on the Topic, "Cyber Crimes and Cyber Hygiene" by outlining the qualities of a leader. He explained various ways to tackle cybercrime by reporting the matter on cybercrime.gov.in, secondly calling on 1930 helpline number and by filing a complaint with local police station and even sharing the problem on social media platforms.

He discussed various types of cyber crimes like Hacking, Cyber Bullying, Cyber Stalking, Morphing etc. and suggested preventive measures to improve online security. He very well explained various legal remedies available to aggrieved party and shared methods to prevent cyber crimes. The queries of various participants were cleared by the resource person proficiently. All of the participants actively participated in the discussion on the topic. The whole session was full of learning and ended with packed knowledge.

19-07-2022

The afternoon session of October 19, 2022 was chaired by Dr. Punam Kundra from KVA DAV College, Karnal. Dr. Ritu Lahal, Prof. of Management from Punjabi University Patiala, an eminent scholar and academician; delivered a talk on the topic: "Women Leadership in Higher Education: Issues and Challenges". Prof. Lahal presented different data and statistics to show that very few leadership positions are offered to women in higher education institutions. They may get leadership position on rotation basis but are not easily nominated for leadership positions. She further elaborated that enrollment ratio of women in higher education institutes is very low. Adolescent girls are either involved in household work or engaged in begging. She emphasized the need of women leaders in HEIs so that they may focus on gender issues, tackle gender sensitive issues empathetically and be the role models for other women. She expressed that due to many personal, social and structural factors women avoid performing leadership roles. She felt that more women friendly policies, family support and safe working environment can encourage women to come forward to assume leadership roles. A healthy discussion followed the talk and participants also shared their views. A dire need of self-help and self-reliant measures was felt along with legal provisions to help women realize their true potential. Dr. Punam, Chairperson of the session and Dr. Anita, Course coordinator thanked Dr. Ritu for enlightening session.

The next speaker Dr. Ameera Sultana, Former chairperson Women's Studies, Panjab university Chandigarh was welcomed by Dr. Punam. Dr. Sultana discussed the topic: "Gender Research is Key for Gender Equality." Dr. Sultana expressed that research from gender perspective is highly desirable to dive into detail the reasons of gender gap in employment, in enrollment and in other walks of life. She described in detail how patriarchal power relations are the cause of women repression and ill treatment. She related many examples from real life of women from different stratas of society to explore the reasons of their problems. She expressed that a qualitative and empirical research is required to deal with various issues faced by women like sexual assault, rape, prostitution etc. the research must be based on scientific tools and needs appropriate narration and language. It may be time consuming but may help in reforming society by bringing changes in law and eliminating inequalities in society. The session was highly informative and enriching. The chairperson and the coordinator thanked the resource person for her brilliant talk.

Dr. Sunita Goyal
Associate Prof.
Govt. Degree College
Barotiwala, H.P

20-Oct-2022

The morning session of day 4 of the Short Term Course was moderated by Dr. Parvinder, Assistant Professor of English at C.R.M. Jat College, Hisar (Haryana). Prof. Anita Dua, Course coordinator formally welcomed the speaker of the session. In the first session, Prof. Rajesh Gill from Department of Sociology, Panjab University, Chandigarh made her presentation on the topic "Breaking Stereotypes and Leading Lead : Some Tips." In her address, Prof. Gill catalogued an entire range of issues that hinder the march of women towards leadership. She advocated that women must break the stereotypes and overcome the fear of failures. According to her, most women suffer on account of lack of information and sometimes they even forego academic promotions for the needs of their families. She opined that women will have to gain leadership position through experiences and by pitching in; opting out of duties will keep them away from leadership roles. It is important for women to step out of their comfort zone and gain a sense of mobility. Dr. Vandana delivered the vote of thanks to conclude the session.

In the second session, Prof. Reicha Tanwar, Retired Professor, Kurukshetra University, Kurukshetra addressed the participants on the topic "Internal Complaint Committee against Sexual Harassment at Workplace." In her presentation, Prof. Tanwar said that it is a sad state of affairs that women employees and students have no knowledge about the existence of Internal Complaint Committee in their Institution. She provided a detailed outline of the act against sexual harassment which came in to existence in 2015. She opined that leadership positions must be sensitive towards the need of girls & women at workplaces. She lamented that most people do not know what sexual harassment is? It is either generally misunderstood or restricted to rape or molestation. She informed that any detrimental remark which affects the modesty of women comes in to the purview of sexual harassment. It is right of every woman to live with dignity and the law/act/policy ensures it. The session ended with a lively discussion. Prof. Vanita Dhingra delivered the formal vote of thanks.

Dr. Sunil Kumar
Assistant Professor of Botany
C.R.M. Jat College, Hisar (Haryana)

20th October 2022

The evening session of the 4th day of the 'Short Term Course in Women Leadership' started at 2:00 pm after the lunch break. Dr. Subhash, one of the participants was deputed as the chairperson for the evening session. He welcomed the resource person Dr. Lalit Kumar, professor, Haryana Institute of Public Administration, Gurugram. He is a very renowned person

in the field of financial management. Prof. Lalit made his presentation on the topic "Financial Management in Higher Education Institutions." In his address, Prof. Lalit explained the methods and ways to handle financial matters in higher education institutions. He suggested the participants to download two books i.e. 'Punjab Financial Rules-Volume-1' and 'Punjab Financial Rules-Volume-2.' He told that these books are applicable in all departments of Haryana. He further added that these rule books can serve as a guide in all financial matters of higher education. He explained in detail how to handle the cash transactions, receipts and payments and the precautions to be taken to avoid financial embezzlements and problems. He also talked about the rules of H.R.A. and the procedures to be followed to purchase items in the colleges. He also solved the queries of the participants and a healthy discussion took place regarding the working and the problems faced by the participants who are presently working as bursars in their respective colleges. In the end of the session Dr. Subhash, the chairperson of the evening session along with the fellow participants thanked Dr. Lalit for his informative and valuable lecture.

Dr. Suman Devi
Assistant Professor of English
G.C.G. , Sector-14, Gurugram (Haryana)

It was indeed a pleasure to attend today's (Oct 21, 2022) evening session on "Health & Nutrition", delivered by Dr. Tarvinderkaur of home science department, Kurukshetra University, Kurukshetra. The address touched some of the important aspects in health innovation and disease management. It mentioned how perception of healthcare has changed post-covid and discussed the significance of health dialogues in university campuses. It also mentioned the statistics around the world and across India about the spread of communicable disease and what community measures should be taken to prevent such spreads. The lecture revolved around the benefits of natural products in better monitoring one's lifestyle and response to disease management. The two lectures further asked us to better maintain our health profiles by checking our routine and nutrient intake. It was thus a very informative and empowering lecture in terms of the issues it addressed and the values it portrayed.

Dr. KulvinderKaur,
Assistant Professor in Geography,
IIHS, Kurukshetra University Kurukshetra
October 21, 2022

The objectives of the programme were to highlight the core issues and developmental agenda at National and Global level related to Women Equality, Equity, Political Participation, participation in developmental activities, safety and security at workplace as well as the human rights of women.

A short term course on Women Leadership was organized from 17.10.2022 to 22.10.2022, in that 32 participants from various universities and colleges marked their presence. The nature of the short term course was Interdisciplinary and the programme was coordinated by Prof. Anita Dua, who is presently looking after Women's Studies Research Centre of Kurukshetra University as Director.

LIST OF TOTAL PARTICIPANTS WHO ARE ATTENDING THE ONE-WEEK
SHORT TERM COURSE IN WOMEN LEADERSHIP
HELD FROM 17-10-2022 TO 22-10-2022

1. Dr. (Ms) Sarita Rana,
Assistant Professor of Zoology,
Institute of Integrated and Honors Studies,
Kurukshetra University, Kurukshetra
2. Dr. Kuldeep Singh,
Assistant Professor of History,
Directorate of Distance Education,
Kurukshetra University, Kurukshetra
3. Mrs. Bhavini Tejpal,
Assistant Professor of Commerce,
Markanda National College, Shahabad (M),
Kurukshetra
4. Dr. (Ms) Shikha Saini,
Assistant Professor of Political Science,
D.A.V. College for Girls, Yamuna Nagar
5. Dr. (Ms) Garima Sumran,
Assistant Professor of Chemistry,
D.A.V. College (Lahore), Ambala City
6. Dr. (Ms) Kaushal Chauhan,
Librarian,
M.D.S.D. Girls College, Ambala City
7. Dr. (Ms) Leena Goyal,
Assistant Professor of Hindi,
S.D. College, Ambala Cantt.
8. Dr. (Ms) Anuradha,
Assistant Professor of Commerce,
Govt. P.G. College, Ambala Cantt.
9. Dr. Ajay Gauri,
Assistant Professor of Psychology,
Govt. P.G. College, Ambala Cantt.
10. Dr. Nisha Raj,
Assistant Professor of Physics,
Govt. College, Barwala (Panchkula)
11. Dr. (Ms) Sonia Rani,
Assistant Professor of Mathematics,
Babu Anant Ram Janta College, Kaul (Kaithal)
12. Dr. (Ms) Prerna,
Assistant Professor of Commerce,
Babu Anant Ram Janta College, Kaul (Kaithal)
13. Dr. Punam,
Assistant Professor of Economics,
KVA DAV College for Women, Karnal
14. Dr. Rajesh Kumar,
Assistant Professor of Mathematics,
Govt. College for Women, Karnal
15. Dr. Gopal Krishan,
Assistant Professor of Commerce,
Govt. College for Women, Karnal
16. Dr. Parvinder,
Assistant Professor of English,
Chhaju Ram Memorial Jat College, Hisar
17. Dr. Sunil Kumar,
Assistant Professor of Botany,
Chhaju Ram Memorial Jat College, Hisar
18. Dr. Subhash,
Assistant Professor of English,
Govt. College, Bhattu Kalan (Fatehabad)
19. Dr. (Ms) Sunita Kumari,
Assistant Professor of Sanskrit,
SMSD Govt. College, Nangal Choudhary
(Mahendgarh)
20. Mrs. Gurjeet Kaur,
Assistant Professor of Commerce,
SDWG Govt. Degree College,
Beetan, Dist. Una (H.P.)
21. Dr. (Ms) Sunita Goyal,
Associate Professor of English,
Govt. College, Barotiwala, Dist. Solan (H.P.)
22. Dr. (Ms) Neelam,
Assistant Professor of Psychology,
Govt. Degree College,
Thatyur, Tehri Garwal (Uk)

LIST OF TOTAL PARTICIPANTS WHO ARE ATTENDING THE ONE-WEEK
SHORT TERM COURSE IN WOMEN LEADERSHIP
HELD FROM 17-10-2022 TO 22-10-2022

23. Dr. Tanima Kumari,
Assistant Professor of English,
C.M. College, Darbhanga (Bihar)
24. Dr. Sushil Bajaj,
Assistant Professor of Commerce,
Chhaju Ram Memorial Jat College, Hisar
25. Dr. (Ms) Pradnya D. Ghodwadikar,
Assistant Professor of English,
Baliram Patil College,
Kinwat, Dist. Nanded (M.S.)
26. Dr. (Ms) Nitasha M. Bajaj,
Assistant Professor of English,
D.A.V. College for Girls, Yamuna Nagar
27. Ms Suman Devi,
Assistant Professor of English,
Govt. College for Girls, Sector-14, Gurugram
28. Dr. Saloni Pawan Diwan,
Assistant Professor,
University School of Management,
Kurukshetra University, Kurukshetra
29. Dr. Hari Om Fuliya,
Assistant Professor of Hindi,
Institute of Integrated and Honors Studies,
Kurukshetra University, Kurukshetra
30. Dr. Vandana Sharma,
Assistant Professor of Hindi,
Institute of Integrated and Honors Studies,
Kurukshetra University, Kurukshetra
31. Dr. Kulvinder Kaur,
Assistant Professor of Geography,
Institute of Integrated and Honors Studies,
Kurukshetra University, Kurukshetra
32. Mr. Manu Jyoti Gupta,
Assistant Professor of Computer Science,
Govt. College for Women, Karnal

The image shows a Zoom meeting interface. The main window displays a presentation slide with the text "University Accounts Code, KUK:". The slide is presented in a Microsoft Word application window. The Zoom interface includes a top bar with a "Recording" indicator and a "Last Name is presenting" notification. On the right side, there is a grid of participant video thumbnails, some showing live video and others showing initials. At the bottom, there is a toolbar with icons for chat, mute, video, and other meeting controls. The Windows taskbar is visible at the very bottom of the screen.

University Accounts Code, KUK:

2:05 PM | [Meeting ID]

Windows taskbar and browser tabs are visible at the top of the screen.

The main window is a Zoom meeting interface. At the top left, it says "Lalit Kumar is presenting". The central area shows a Microsoft Word document with the text "University Accounts Code:" highlighted in a black box. The Word ribbon is visible at the top of the document window.

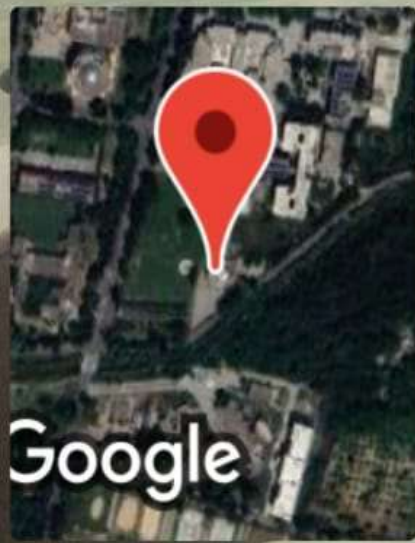

On the right side, there is a grid of participant video thumbnails. The participants are:

- Chaitanyam Bhattacharya (purple icon)
- Chaitanyam Pradyum (green icon)
- Chaitanyam Sae (purple icon)
- Chaitanyam Prithvish (rainbow icon)
- Kamini Singh (green icon)
- NEHAJ KUMAR (photo icon)
- Chaitanyam Anshika (cyan icon)
- Manish Sharma (photo icon)
- Chaitanyam Anshika (purple icon)
- Harsh (blue icon)

At the bottom of the Zoom window, there is a control bar with icons for mute, video, chat, and other functions. The system tray at the very bottom shows the time as 1:08 PM and the date as 11/11/2023.

INTEGRITY

Integrity is the quality of being honest and having strong moral principles. It is the state of being whole and undivided, and it is the quality of being consistent in one's actions and words. Integrity is a key component of trust and is essential for building strong relationships. It is the foundation of a good character and is necessary for success in any field.
