**INNOVATION, ENTREPRENEURSHIP AND
SUSTAINABLE DEVELOPMENT: VISION 2047**

**8th November, 2024
(Friday)
Venue: Senate Hall**

Organized by
**DEPARTMENT OF COMMERCE
KURUKSHETRA UNIVERSITY, KURUKSHETRA**
(Established by the State Legislature Act XII of 1956)
(“A⁺⁺” Grade, NAAC Accredited)

ABOUT KURUKSHETRA UNIVERSITY

The Kurukshetra University was established in 1956 as a unitary residential university and its foundation stone was laid by late Dr. Rajendra Prasad, the first President of India. Located in the holy city of Kurukshetra, land of the historical battle of 'Mahabharata' and the great message of Bhagwad Gita, its campus is situated on the western bank of Brahm Sarover (the holy tank) and extends over an area of over 400 acres. Starting with only the Department of Sanskrit, it has grown into a multi-faculty University as one of the premier centre for advanced study and research in the region. By virtue of the accomplishments in research and academics, the University has been accredited as A++ by NAAC.

ABOUT THE DEPARTMENT

The Department of Commerce at Kurukshetra University is a pioneer in imparting quality education in the fast evolving area of commerce and business education since its establishment in 1971. The vision of the Department is to groom young business leaders and academicians with contemporary knowledge, decision making skills and highly ethical values in order to be socially relevant and professionally successful in their chosen career. The alumni of the Department are serving at senior positions in India and abroad. Many of them are successful entrepreneurs, academic leaders and senior government officers, who have carved a unique place for themselves. Currently, Department is running M.Com and Ph.D. programmes on the campus. Keeping pace with economic reforms, the Department took initiatives to incorporate the latest developments in the course curriculum of UG and PG programmes in the discipline of commerce as per National Education Policy (NEP).

ABOUT THE SEMINAR

Taking vision as a guiding principle for future, our department is willing to host a One Day National Seminar titled **“Innovation, Entrepreneurship and Sustainable Development: Vision 2047”** which aligns with India's broader Vision 2047 goals. This seminar is designed to explore how innovation and entrepreneurship are crucial in achieving the Vision 2047 objectives as the nation approaches its 100th anniversary of independence. By focusing on how innovation can address environmental and social challenges while fostering economic growth, the seminar highlights its role as a key driver of sustainable development. It will showcase how innovative solutions can tackle issues like climate change, resource depletion, and social inequality.

The seminar will also emphasize the importance of entrepreneurship in transforming innovative ideas into practical solutions that support sustainable development. As a bridge between innovation and implementation, entrepreneurship helps in harnessing new technologies, develop sustainable business models, and create market-based solutions essential for meeting the Vision 2047. By promoting a culture of sustainable entrepreneurship, the seminar aims to inspire future business leaders to build impact-driven enterprises, thus contributing to a more sustainable and equitable future. Additionally, it will provide a platform for dialogue among entrepreneurs, policymakers, and academicians, fostering collaboration and sharing best practices to advance the Vision 2047.

OBJECTIVES OF THE SEMINAR

Following are the objectives of the Seminar:

- To discuss how innovation can be applied across various sectors to balance economic growth and contribute to a holistic vision for the future.
- To promote sustainable development by balancing present needs with the ability of future generations to meet their needs.
- To highlight the role of entrepreneurial ventures in driving economic growth by creating jobs and fostering economic dynamism.
- To educate participants on the latest trends and practices in sustainable innovation and entrepreneurship.
- To envision strategies and frameworks that will shape a sustainable and equitable future by 2047.
- To discuss the challenges and opportunities in aligning innovation and entrepreneurship with sustainable development.
- To present scalable and effective solutions for sustainable development through entrepreneurial initiatives, supporting Vision 2047's objectives.
