Dated: 25-06-2025

Notification

All students who have passed any examination conducted by Kurukshetra University in May or December 2024, and have not yet submitted their ABC ID to their respective College/Department/Institute, are required to do so by 28th June 2025.

It is important to note that DMCs (Detailed Marks Certificates) uploaded on DigiLocker are widely accepted, especially for students intending to pursue higher education abroad. The Information Technology Act, 2000, and the IT (Preservation and Retention of Information by Intermediaries Providing Digital Locker Facilities) Rules, 2016, along with Letter No. 109236 DHE-190016/41/2021-UNP (STATE)-DHE dated 12-10-2022 issued by the Directorate of Higher Education, Chandigarh, provide the legal basis for the equivalence of DigiLocker documents with original physical documents.

Students are strongly advised to ensure timely submission of their ABC ID to avoid any inconvenience. Failure to submit the ABC ID by the deadline will result in their academic data being unavailable on DigiLocker, and the student will be solely responsible for any difficulties arising from this.
