

**KURUKSHETRA UNIVERSITY KURUKSHETRA**

(Established by the State Legislature Act XII of 1956)

("A++" Grade NAAC Accredited)

**Date-Sheet for B. Architecture I, III, V and VII Semester Examinations, December, 2025.****(THEORY EXAMINATION)****Time of Examination : 09.30 A.M. (MORNING SESSION)**

| DATE        | SUBJECT & PAPER                                                                                                                    |
|-------------|------------------------------------------------------------------------------------------------------------------------------------|
|             | <b>I Semester</b>                                                                                                                  |
| 11-Dec-2025 | Paper-AR-101 : Introduction to Architecture and Basic Design                                                                       |
| 16-Dec-2025 | Paper-AR-103 :Architectural Graphics-I                                                                                             |
| 20-Dec-2025 | Paper-AR-105 : Mathematics-I                                                                                                       |
| 26-Dec-2025 | Paper-AR-107 : Introduction to Building Material                                                                                   |
| 31-Dec-2025 | Paper-AR-113 :Free Hand Drawing and Painting                                                                                       |
|             | <b>III Semester</b>                                                                                                                |
| 10-Dec-2025 | Paper-AR-201 : Architectural Design -II                                                                                            |
| 15-Dec-2025 | Paper-AR-203 : Building Construction and Materials-II                                                                              |
| 19-Dec-2025 | Paper-AR-205 : Climatology in Architecture                                                                                         |
| 24-Dec-2025 | Paper-AR-209 : History of Architecture-I                                                                                           |
| 30-Dec-2025 | Paper-AR-213 : Surveying and Mapping                                                                                               |
|             | <b>V Semester</b>                                                                                                                  |
| 9-Dec-2025  | Paper-AR-303 : Building Construction-IV                                                                                            |
| 13-Dec-2025 | Paper-AR-301 : Architectural Design-IV (Examination will be conducted on 13.12.2025 & 14.12.2025 divided 6 hours during both days) |
| 18-Dec-2025 | Paper-AR-305 : Quality Pricing and Accounts                                                                                        |
| 23-Dec-2025 | Paper-AR-307 : Behavioral Studies in Built Environment & Community Planning                                                        |
| 29-Dec-2025 | Paper-AR-309 : Theory of Structures-II                                                                                             |
| 2-Jan-2026  | Paper-AR-311 : Working Drawings and Details                                                                                        |
| 5-Jan-2026  | Paper-AR-313 : Foundation Engineering                                                                                              |
|             | <b>VII Semester</b>                                                                                                                |
| 8-Dec-2025  | Paper-AR-401 :Architectural Design-VI                                                                                              |
| 12-Dec-2025 | Paper-AR-403 : Advance Building Construction-VI                                                                                    |
| 17-Dec-2025 | Paper-AR-405 : Structural Design-II                                                                                                |
| 22-Dec-2025 | Paper-AR-407 : Building Technology (Electrical)                                                                                    |
| 27-Dec-2025 | Paper-AR-409 : Architectural Acoustics                                                                                             |
| 1-Jan-2026  | Paper-AR-411 : Interior Design                                                                                                     |
| 3-Jan-2026  | Paper-AR-413 : Building By Laws                                                                                                    |

- NOTES :**
- 1 On getting a question-paper and before answering it, the candidates must check up and ensure that they have been supplied with the correct question-paper. If the question-paper is not correct they should bring the same to the notice of the Invigilator. Complaints in this regard after the examination shall not be entertained.
  - 2 Electronics gadgets such as pagers, Cell phone and Programmable Calculators etc. are not allowed in the Examination Hall.
  - 3 No extra answer-sheet will be provided.
