

KURUKSHETRA UNIVERSITY, KURUKSHETRA

(Established by the State Legislature Act XII of 1956)
(A+ Grade, NAAC Accredited)

It is submitted that result of B.Ed held in June 2019 has been declared on 04.09.2019 and results of many students are declared as RPR due to non-availability of Registration nos.

In this regard, it is stated that some students do not fill their registration nos. in the prescribed column in examination form and the colleges submit the same in the University through online mode. Consequently, results of those students are declared as RPR due to non availability of registration nos.

Further, some registration cards of the students are issued to the colleges by Registration Branch after submission of the examination forms and no information regarding allotment of registration nos. to the students is received in the Result Branch by the colleges. Hence, the results are declared as RPR.

Now, many colleges have submitted the registration nos. allotted to the students and their results have been cleared by the agency.

In view of the above, case is submitted to the Controller of Examinations for orders, if allowed, revised result of B.Ed may be uploaded on the University Website to enable the students to apply for re-evaluation.

Submitted for perusal, consideration and orders please.
